Drucker	Noreen	FB	Annual Convention:TESOL- NJBE	5/18 & 5/19, 2010	\$73.68

## **ADDENDUM**

15. **MOTION** to tentatively approve new courses for the 2010-2011 school year based on the following prioritized list and budget restrictions. The courses will be listed in the Randolph Middle School and Randolph High School selection sheets for 2010-2011 and will denote "Pending Board Approval".

- A. Courses that require no additional materials cost and no additional staff:
- High School - Business Principles (Honors)
  - Middle School - Grade 8 cycle courses - Computerized Photographic Concepts, Digital Storytelling, OOPS! Computer Simulation Programming
- B. Randolph High School: Finance - Semester Course: This course will require extra staffing at a cost of \$30,000 - \$65,000 depending on whether it will be a part-time or full-time offering and text and materials cost of \$3,000. It is mandated by the state for the incoming freshman class as necessary for high school graduation. Discussion was held on whether we need a part-time or full-time position currently depending on registration. Jeanne Stifelman will look into a private grant possibility to fund the instruction of finance.
- C. Randolph High School: Contemporary Issues On-line - This course requires no extra staffing and \$1,000 in text and supplies. It is our first on-line course for high school students, set up to succeed by experienced staff.
- D & E. Randolph Middle School: Technology in Action - Intro to Technology - grade 6, The Way Things Work - grade 7 - Exploring Technology - grade 8. These cycles require no extra staff, and a text-supply cost of \$38,000. This is the intended second year of a technology improvement plan begun and funded last year in the Middle School. The cost of these cycles can be met with a part-time finance teacher. Dr. Kane will also look into lease-purchase agreements.

Randolph High School: AP Psychology - This course requires no extra staff and a materials fee of \$4,300. It is the course most requested by

students in a past survey and was tabled last year due to lack of funding, making it a Goal 1 priority. We have highly qualified staff on hand to instruct. The course can possibly be worked in with a part-time finance class and/or some modifications in the Middle School tech cycles.

**ADDENDUM II**

- 16. **MOTION** to approve submission of an application for the “2010 Chase Multimedia in the Classroom Awards Competition” by Noreen Drucker, which will include a video of students. The necessary parent permission slips will be obtained by Ms. Drucker.
- 17. **MOTION** to amend the September 15, 2009 Motion #4 to include the cost of teacher substitutes for the overnight field trip for the girls’ softball program for the 2009-2010 trip to Disney’s Wide World of Sports in Orlando, Florida from March 26 – 30, 2010. The substitute costs were not originally included.
- 18. **MOTION** to approve the following professional development opportunities:
