

5306 HEALTH SERVICES TO NONPUBLIC SCHOOLS

A Board of Education having nonpublic schools within the school district boundaries shall provide nursing services to students enrolled full-time in the nonpublic school pursuant to N.J.S.A. 18A:40-23 et seq. and N.J.A.C. 6A:16-2.5.

The Board shall provide for the extension of emergency care provided to public school students and to full-time nonpublic school students who are injured or become ill at school or during participation on a school team or squad pursuant to N.J.A.C. 6A:16-2.1(a)4. The Board may provide additional services to those required under N.J.A.C. 6A:16-2.5(a) and under conditions as outlined in N.J.A.C. 6A:16-2.5(c).

The nursing services shall be provided by a registered nurse licensed in the State of New Jersey who is an employee of the school district, third-party contractor, or an independent contractor. The nursing services provided to nonpublic school students shall not include instructional services.

A nonpublic school may decline nursing services required or permitted under N.J.A.C. 6A:16-2.5 by submitting to the Board of Education notification signed by the Chief School Administrator of the nonpublic school pursuant to N.J.S.A. 18A:40-29. A student who is enrolled in a nonpublic school and whose parent objects to the student receiving any services provided under N.J.A.C. 6A:16-2.5 shall not be compelled to receive the services except for a physical or medical examination to determine whether the student is ill or infected with a communicable disease pursuant to N.J.S.A. 18A:40-30.

The Board shall consider the provision of health services to nonpublic schools based upon the considerations outlined in N.J.A.C 6A:16-2.5(h)1 through 3. The Superintendent or designee shall confer annually with the administrator of the nonpublic school to advise the nonpublic school of the amount of funds allocated by the Department of Education to the nonpublic school; to agree on the basic health services that shall be provided and the additional medical services that may be provided as set forth in N.J.S.A. 18A:40-23 et seq.; to inform the nonpublic school the County Office of Education shall provide assistance in the event an agreement cannot be reached regarding the health services and additional medical services to be provided to the nonpublic school; to assure the nonpublic school receiving services receives a copy of N.J.S.A. 18A:40-23 to 31 and N.J.A.C. 6A:16-2.5; and to assure that a description of the provision of nursing services is reflected in the school district's Nursing Services Plan.

5308 STUDENT HEALTH RECORDS

The school district shall maintain mandated student health records for each student pursuant to N.J.A.C. 6A:16-2.4. The district will document student health records using a form approved by the Commissioner of Education.

The maintenance and security of student health records shall be in accordance with N.J.A.C. 6A:32-7.4 and 6A:16-2.4. Student health records may be stored electronically or in paper format and shall be maintained separately from other student records in a secure location accessible to authorized personnel while school is in session. The health history and immunization record shall be removed from the student's health record and placed in the student's mandated record upon graduation or termination and kept according to the schedule set forth in N.J.A.C. 6A:32-7.8.

The transfer of student health records when a student transfers to or from a school district shall be in accordance with N.J.A.C. 6A:16-7.1 et seq.

Any Board of Education employee with knowledge of, or access to, information that identifies a student as having HIV infection or AIDS; information obtained by the school's alcohol or drug program which would identify the student as an alcohol or drug user; or information provided by a secondary school student while participating in a school-based alcohol or drug counseling program that indicates a parent, guardian, or other person residing in the student's household is dependent upon or illegally using a substance shall comply with restrictions for sharing such information in accordance with N.J.A.C. 6A:16-2.4(b) through (e) and as required by Federal and State statutes and regulations.

Access to and disclosure of information in a student's health record shall meet the requirements of the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, and 34 CFR Part 99, incorporated herein by reference, as amended and supplemented, and N.J.A.C. 6A:32-7, Student Records.

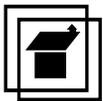

The school district shall provide access to the student's health record to licensed medical personnel not holding educational certification who are working under contract with or as employees of the school district only to the extent necessary to enable the licensed medical personnel to perform their duties. Secretarial or clerical personnel under the supervision of the certified school nurse shall be permitted access to those portions of the student health records necessary for entry and recording of data and for conducting routine clerical tasks as outlined in N.J.S.A. 18A:40-3.4 and N.J.A.C. 6A:32-7.5.

Nothing in N.J.A.C. 6A:16-2.4 or in Policy and Regulation 5308 shall be construed to prohibit school personnel from disclosing to students or adults in connection with an emergency the information contained in the student health record if the release is necessary to protect the immediate health or safety of the student or other persons pursuant to N.J.A.C. 6A:32-7.54.

R 5308 STUDENT HEALTH RECORDS

Student health records shall be maintained for each student pursuant to N.J.A.C. 6A:16-2.4. Maintenance and security of student health records shall be in accordance with N.J.A.C. 6A:32-7.4.

A. Mandated Student Health Records

1. The following mandated student health records shall be maintained:
 - a. Findings of health histories, medical examinations, and health screenings pursuant to N.J.A.C. 6A:16-2.2 and 4.3; and
 - b. Documentation of immunizations against communicable diseases or exemption from these immunizations pursuant to N.J.A.C. 8:57-4.1, 4.3, and 4.4.
2. The district will document the findings of student health histories, health screenings, and required medical examinations that are relevant to school participation on the student's health record using a form approved by the Commissioner of Education.

B. Maintenance of Student Health Records

1. The school district shall maintain student health records in accordance with N.J.A.C. 6A:32-7.4 as follows:
 - a. Student health records may be stored electronically or in paper format. When records are stored electronically, proper security and backup procedures shall be administered;
 - b. Student health records, whether stored on paper or electronically, shall be maintained separately from other student records, until such time as graduation or termination whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record; and

- c. Student health records shall be accessible during the hours in which the school program is in operation.

C. Transferring Student Health Records

The school district shall ensure compliance with the requirements of N.J.A.C. 6A:32-7 – Student Records and Policy and Regulation 8330 when transferring student health records.

D. Restrictions for Sharing Student Health Information

1. Any Board of Education employee with knowledge of, or access to, the following health information shall comply with restrictions for sharing information as required by Federal and State statutes and regulations.
 - a. Information that identifies a student as having HIV infection or AIDS shall be shared only with prior written informed consent of the student age twelve or greater, or of the student's as required by N.J.S.A. 26:5C-1 et seq. and only for the purpose of determining an appropriate educational program for the student.
 - b. Information obtained by the school's alcohol and other drug program which would identify the student as an alcohol or other drug user may be disclosed only for those purposes and under those conditions permitted by 42 CFR Part 2.
 - c. Information provided by a secondary school student while participating in a school-based alcohol or other drug counseling program that indicates a parent, guardian, or other person residing in the student's household is dependent upon or illegally using a substance shall be shared only for those purposes and conditions permitted by N.J.S.A. 18A:40A-7.1.

E. Access to Student Health Records

1. Access to and disclosure of information in the student's health record shall meet the requirements of the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g and CFR Part 99, incorporated herein by reference, as amended and supplemented, and N.J.A.C. 6A:32-7 et seq., Student Records.

 5. A student who does not have a completed Athletic Preparticipation Physical Examination Form shall not be permitted to participate.
- D. Medical Examinations - Upon Enrollment in School
1. The school district shall ensure that students receive medical examinations upon enrollment in school. The parent shall be required to provide examination documentation of each student within thirty days of enrollment in the school.
 2. When a student transfers to another school, the sending school district shall ensure the entry-examination documentation is forwarded to the receiving school district pursuant to N.J.A.C. 6A:16-2.4(d).
 3. Students transferring into this school district from out-of-State or out-of-country may be allowed a thirty-day period to obtain entry examination documentation.
 4. The school district shall notify parents through its website or other means about the importance of obtaining subsequent medical examinations of the student at least once during each developmental stage: at early childhood (pre-school through grade three), pre-adolescence (grades four through six), and adolescence (grades seven through twelve);
- E. Medical Examinations - When Students Apply for Working Papers
1. Pursuant to N.J.S.A. 34:2-21.7 and 21.3, the school district may provide for the administration of a medical examinations for a student pursuing a certificate of employment.

2. The school district shall not be held responsible for the costs for examinations at the student's medical home or other medical provider(s).
- F. Medical Examinations - For the Purposes of the Comprehensive Child Study Team Evaluation Pursuant to N.J.A.C. 6A:14-3.4
1. The school district shall ensure that students receive medical examinations for the purposes of the comprehensive Child Study Team evaluation pursuant to N.J.A.C. 6A:14-3.4.
- G. Medical Examinations - When a Student is Suspected of Being Under the Influence of Alcohol or Controlled Dangerous Substances pursuant to N.J.S.A. 18A:40A-12 and N.J.A.C. 6A:16-4.3
1. If a student who is suspected of being under the influence of alcohol or controlled dangerous substances is reported to the certified school nurse, the certified school nurse shall monitor the student's vital signs and general health status for emergent issues and take appropriate action pending the medical examination pursuant to N.J.A.C. 6A:16-4.3.
 2. No school staff shall interfere with a student receiving a medical examination for suspicion of being under the influence of alcohol or controlled dangerous substances pursuant to N.J.A.C. 6A:16-4.3.
- H. Health Screenings
- The Board of Education shall ensure that students receive health screenings in accordance with N.J.A.C. 6A:16-2.2(k).
1. Screening for height, weight, and blood pressure shall be conducted annually for each student in Kindergarten through grade twelve.
 2. Screening for visual acuity shall be conducted biennially for students in Kindergarten through grade ten.
 3. Screening for auditory acuity shall be conducted annually for students in Kindergarten through grade three and in grades seven and eleven pursuant to N.J.S.A. 18A:40-4.
 4. Screening for scoliosis shall be conducted biennially for students between the ages of ten and eighteen pursuant to N.J.S.A. 18A:40-4.3.

5339 SCREENING FOR DYSLEXIA

In accordance with the provisions of N.J.S.A. 18A:40-5.1 et seq., the Board of Education shall ensure each student enrolled in the school district who has exhibited one or more potential indicators of dyslexia or other reading disabilities is screened for dyslexia and other reading disabilities using a screening instrument selected pursuant to the provisions of N.J.S.A. 18A:40-5.2. This screening shall be administered no later than the student's completion of the first semester of the second grade.

In the event a student who would have been enrolled in Kindergarten, grade one, or grade two during or after the 2014-2015 school year enrolls in the district in Kindergarten through grade six during or after the 2015-2016 school year and has no record of being previously screened for dyslexia or other reading disabilities, pursuant to N.J.S.A. 18A:40-5.2 et seq., the Board shall ensure the newly-enrolled student is screened for dyslexia and other reading disabilities using a screening instrument selected pursuant to N.J.S.A. 18A:40-5.1. This screening shall be administered at the same time other students enrolled in the student's grade are screened for dyslexia and other reading disabilities, or if other students enrolled in the student's grade have previously been screened, within ninety calendar days of the date the student is enrolled in the district. The screenings shall be administered by a teacher or other teaching staff member properly trained in the screening process for dyslexia and other reading disabilities.

For the purposes of this Policy, "potential indicators of dyslexia or other reading disabilities" means indicators that include, but shall not be limited to, difficulty in acquiring language skills; inability to comprehend oral or written language; difficulty in rhyming words; difficulty in naming letters, recognizing letters, matching letters to sounds, and blending sounds when speaking and reading words; difficulty recognizing and remembering sight words; consistent transposition of number sequences, letter reversals, inversions, and substitutions; and trouble in replication of content.

In accordance with the provisions of N.J.S.A. 18A:40-5.2(a), the Commissioner of Education shall distribute to each Board of Education information on screening instruments available to identify students who possess one or more potential indicators of dyslexia or other reading disabilities. The Commissioner shall provide information on the screening instruments appropriate for Kindergarten through grade two students and on screening instruments that may be suitably used for older students. The Board shall select and implement age-appropriate screening instruments for the early diagnosis of dyslexia and other reading disabilities.

In accordance with provisions of N.J.S.A. 18A:40-5.2(b), the Commissioner shall also develop and distribute to each Board of Education guidance on appropriate intervention strategies for students diagnosed with dyslexia or other reading disabilities.

In the event a student is determined, through the screening conducted in accordance with N.J.S.A. 18A:40-5.3, to possess one or more potential indicators of dyslexia or other reading disabilities pursuant to the provisions of N.J.S.A 18A:40-5.1 et seq., the Board shall ensure the student receives a comprehensive assessment for the learning disorder. In the event a diagnosis of dyslexia or other reading disability is confirmed by the comprehensive assessment, the Board shall provide appropriate evidence-based intervention strategies to the student, including intense instruction on phonemic awareness, phonics and fluency, vocabulary, and reading comprehension.

5600 STUDENT DISCIPLINE/CODE OF CONDUCT

The Board of Education adopts this Student Discipline/Code of Conduct Policy to establish standards, policies, and procedures for positive student development and student behavioral expectations on school grounds and, as appropriate, for conduct away from school grounds. Every student enrolled in this district shall observe promulgated rules and regulations and the discipline imposed for infraction of those rules.

The Superintendent of Schools will establish a process for the annual review and update of the district's Student Discipline/Code of Conduct Policy and Regulation that may involve a committee of parents, students, and community members that represent, where possible, the composition of the district's schools and community. The Superintendent will report to the Board the process used for the annual review of this Policy and Regulation and will recommend to the Board updates, if any, to the Student Discipline/Code of Conduct Policy and Regulation.

The Student Discipline/Code of Conduct Policy and Regulation shall be disseminated annually to all school staff, students, and parents. The Board of Education shall provide to all employees annual training on the Student Discipline/Code of Conduct Policy and Regulation, which shall include training on the prevention, intervention, and remediation of student conduct that violates the district's Policy and Regulation. Information on the Student Discipline/Code of Conduct Policy and Regulation shall be incorporated into the orientation for new employees.

The Board provides for the district's Student Discipline/Code of Conduct's equitable application. Student discipline and the Code of Student Conduct will be applied without regard to race; color; religion; ancestry; national origin; nationality; sex; gender; sexual orientation; gender identity or expression; marital, domestic-partnership, or civil union; mental, physical or sensory disability; or by any other distinguishing characteristic, pursuant to N.J.S.A. 10:5.-1 et seq.

For students with disabilities, subject to Individualized Education Programs in accordance with 20 U.S.C. §1400 et seq., the Individuals with Disabilities Education Improvement Act and accommodation plans under 29 U.S.C. §§ 794 and 705(20), the Code of Student Conduct shall be implemented in accordance with the components of the applicable plans.

The Student Discipline/Code of Conduct is established for the purposes outlined in N.J.A.C. 6A:16-7.1(b).

Policy and Regulation 5600 include a description of student responsibilities that include expectations for academic achievement, behavior, and attendance, pursuant to N.J.A.C. 6A:32-8 and 13.1; a description of behaviors that will result in suspension or expulsion, pursuant to

N.J.S.A. 18A:37-2; and a description of student rights pursuant to N.J.A.C. 6A:16-7.1(c)3.i through vii.

The Board of Education approves the use of comprehensive behavioral supports that promote positive student development and the students' abilities to fulfill the behavioral expectations established by the Board. These behavioral supports include, but are not limited to, positive reinforcement for good conduct and academic success including the programs that honor and reward student conduct and academic achievement; supportive intervention and referral services including those services outlined in Policy 2417; remediation of problem behaviors that take into account the behavior's nature, the students' developmental ages and the students' histories of problem behaviors and performance; and for students with disabilities, the behavior interventions and supports shall be determined and provided pursuant to N.J.A.C. 6A:14.

Policy and Regulation 5600 include a description of school responses to violations of behavioral expectations established by the Board that, at a minimum, are graded according to the severity of the offenses, and consider the developmental ages of the student offenders and their histories of inappropriate behaviors pursuant to N.J.A.C. 6A:16-7.1(c)5.

Students are required to be in compliance with Policy and Regulation 5200 – Attendance pursuant to N.J.A.C. 6A:16-7.6 and Policy and Regulation 5512 – Harassment, Intimidation, and Bullying pursuant to N.J.A.C. 6A:16-7.7.

The Building Principal shall maintain a current list of community-based health and social service provider agencies available to support a student and the student's family, as appropriate, and a list of legal resources available to serve the community.

The Building Principal or designee shall have the authority to assign discipline to students. School authorities also have the right to impose a consequence on a student for conduct away from school grounds that is consistent with the district's

Code of Student Conduct pursuant to N.J.A.C. 6A:16-7.5. This authority shall be exercised only when it is reasonably necessary for the student's physical or emotional safety, security, and well-being or for reasons relating to the safety, security, and well-being of other students, staff, or school grounds, pursuant to N.J.S.A. 18A:25-2 and 18A:37-2. This authority shall be exercised only when the conduct that is the subject of the proposed consequence materially and substantially interferes with the requirements of appropriate discipline in the operation of the school. Consequences pursuant to N.J.A.C. 6A:16-7.5 shall be handled in accordance with Policy and Regulation 5600, pursuant to N.J.A.C. 6A:16-7.1, and as appropriate, in accordance with N.J.A.C. 6A:16-7-2, 6A:16-7.3, or 6A:16-7.4. School authorities shall respond to harassment, intimidation, or bullying that occurs off school grounds, pursuant to N.J.S.A. 18A:37-14 and 15.3 and N.J.A.C. 6A:16-1.3, 7.1, and 7.7.

Consequences and appropriate remedial action for a student who commits one or more acts of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion. The factors for determining consequences and remedial measures and examples of consequences and remedial measures are listed in Policy 5512 – Harassment, Intimidation, and Bullying. Consequences for a student who commits an act of harassment, intimidation, or bullying shall be varied and graded according to the nature of the behavior, the developmental age of the student and the student’s history of problem behaviors and performance, and shall be consistent with this Policy and the school district’s Student Discipline/Code of Conduct Policy pursuant to N.J.A.C. 6A:16-7.1. Remedial measures for one or more acts of harassment, intimidation, or bullying shall be designed to correct the problem behavior; prevent another occurrence of the problem; protect and provide support for the victim of the act; and take corrective action for documented systemic problems related to harassment, intimidation, or bullying.

Consequences and remedial measures to address acts or incidents of dating violence at school shall be consistent with the school district’s Student Discipline/Code of Conduct Policy. The factors for determining consequences and remedial measures and examples of consequences and remedial measures are included in Policy and Regulation 5519 – Dating Violence at School and shall be used to address the act or incident as well as serve as remediation, intervention, education, and prevention for all individuals involved. The responses shall be tiered with consideration given to the seriousness and the number of previous occurrences of acts or incidents in which both the victim and aggressor have been involved. Consequences for acts or incidents of dating violence at school may range from admonishment to suspension or expulsion. Retaliation towards the victim of any act or incident of dating violence shall be considered when administering consequences to the aggressor based on the severity of the act or incident. Remedial measures/interventions for acts or incidents of dating violence at school may include, but are not limited to: parent conferences, student counseling (all students involved in the act or incident), peer support groups, corrective instruction or other relevant learning or service experiences, supportive student interventions (Intervention and Referral Services - I&RS), behavioral management plans, and/or alternative placements.

Any student to be disciplined shall be provided the due process procedures for students and their families as set forth in Policy and Regulation 5600 and N.J.A.C. 6A:16-7.2 through 7.4.

In accordance with the provisions of N.J.A.C. 6A:16-7.8, when a student transfers to a public school district from another public school district, all information in the student’s record related to disciplinary actions taken against the student by the school district and any information the school district has obtained pursuant to N.J.S.A. 2A:4A-60, Disclosure of Juvenile Information, Penalties for Disclosure, shall be provided to the receiving public school district, in accordance with the provisions of N.J.S.A. 18A:36-19(a) and N.J.A.C. 6A:32-7.5.

The Superintendent may be required to submit a report annually to the New Jersey Department of Education on student conduct, including all student suspensions and expulsions, and the implementation of the Student Discipline/Code of Conduct Policy in accordance with the format prescribed by the Commissioner of Education. The Superintendent shall report to the Commissioner of Education each incident of violence, including harassment, intimidation, and bullying, vandalism, and alcohol and other drug offenses, pursuant to N.J.A.C. 6A:16-4.3, in the school district utilizing the Electronic Violence and Vandalism Reporting System, pursuant to N.J.A.C. 6A:16-5.3.

R 5600 STUDENT DISCIPLINE/CODE OF CONDUCT

A. Purpose

The Student Code of Conduct and this Regulation are established to achieve the following purposes:

1. Foster the health, safety, social, and emotional well-being of students;
2. Support the establishment and maintenance of civil, safe, secure, supportive, and disciplined school environments conducive to learning;
3. Promote achievement of high academic standards;
4. Prevent the occurrence of problem behaviors;
5. Establish parameters for the intervention and remediation of problem student behaviors at all stages of identification; and
6. Establish parameters for school responses to violations of the code of student conduct that take into account, at a minimum, the severity of the offenses, the developmental ages of student offenders and students' histories of inappropriate behaviors in accordance with N.J.A.C. 6A:16-7.2 through 7.8, as appropriate.

B. Expectations for Academic Achievement, Behavior, and Attendance

All students have a responsibility to comply with State statutes and administrative codes for academic achievement, behavior, and attendance, pursuant to N.J.A.C. 6A:32-8 and 13.1.

C. Behaviors That May Result in Suspension or Expulsion

In accordance with the provisions of N.J.S.A. 18A:37-2, any student who is guilty of continued and willful disobedience, open defiance of the authority of any teacher or person having authority over the student, the habitual use of profanity or of obscene language, or who shall cut, deface or otherwise injure any school property, shall be liable to punishment and to suspension or expulsion from school. Conduct which shall constitute good cause for suspension or expulsion of a student guilty of such conduct shall include, but not be limited to, any of the following:

3. Conduct of such character as to constitute a continuing danger to the physical well-being of other students;
4. Physical assault upon another student;
5. Taking, or attempting to take, personal property or money from another student, or from the student's presence, by means of force or fear;
6. Willfully causing, or attempting to cause, substantial damage to school property;
7. Participation in an unauthorized occupancy by any group of students or others of any part of any school or other building owned by any school district, and failure to leave such school or other facility promptly after having been directed to do so by the Principal or other person then in charge of such building or facility;
8. Incitement which is intended to and does result in unauthorized occupation by any group of students or others of any part of a school or other facility owned by any school district;
9. Incitement which is intended to and does result in truancy by other students;
10. Knowing possession or knowing consumption without legal authority of alcoholic beverages or controlled dangerous substances on school premises, or being under the influence of intoxicating liquor or controlled dangerous substances while on school premises; and
11. Harassment, intimidation, or bullying.

Students shall also be suspended from school for assault upon a school staff member in accordance with the provisions of N.J.S.A. 18A:37-2.1 and 2.2.

D. Students' Rights

Students subject to the consequences of the Student Discipline/Code of Conduct Policy and Regulation shall be informed of their rights, pursuant to N.J.A.C. 6A:16-7.1(c)3.i. through vii., that include:

1. Advance notice of behaviors that will result in suspensions and expulsions that have been identified under authority of N.J.S.A. 18A:37-2;
2. Education that supports students' development into productive citizens;
3. Attendance in safe and secure school environments;
4. Attendance at school irrespective of students' marriage, pregnancy, or parenthood;
5. Due process and appeal procedures, pursuant to N.J.A.C. 6A:3-1.3 through 1.17, N.J.A.C. 6A:4 and, where applicable, N.J.A.C. 6A:14-2.7 and 2.8, and N.J.A.C. 6A:16-7.2 through 7.5;
6. Parent notification consistent with the policies and procedures established pursuant to N.J.A.C. 6A:16-6.2(b)3 and N.J.A.C. 6A:16-7.1 through 7.8; and
7. Protections pursuant to 20 U.S.C. § 1232g, Family Educational Rights and Privacy Act; 34 CFR Part 99, Family Educational Rights and Privacy; 20 U.S.C. § 1232h, Protection of Pupil Rights; 34 CFR Part 98, Student Rights in Research, Experimental Programs and Testing; P.L. 104-191, Health Insurance Portability and Accountability Act; 45 CFR Part 160, General Administrative Requirements; 20 U.S.C. § 7165, Transfer of school disciplinary records; 42 CFR Part 2, Confidentiality of Alcohol and Drug Abuse Patient Records; N.J.S.A. 18A:40A-7.1, Confidentiality of certain information provided by pupils, exceptions; N.J.A.C. 6A:16-3.2, Confidentiality of student alcohol and other drug information; N.J.S.A. 18A:36-19, Pupil records, creation, maintenance and retention, security and access, regulations, nonliability; N.J.S.A. 2A:4A-60, Disclosure of juvenile information, penalties for disclosure; N.J.A.C. 6A:32-7, Student Records; N.J.A.C. 6A:14-2.9, Student records, as well as other existing Federal and State laws and rules pertaining to student protections.

E. Comprehensive Behavioral Supports

Below are behavioral supports that promote positive student development and the students' abilities to fulfill the behavioral expectations established by the Board. These behavioral supports may include, but are not limited to, the following:

1. Positive Reinforcement for Good Conduct and Academic Success

2. Supportive Interventions and Referral Services

A student may be referred to the school's Intervention and Referral Services Team in accordance with the provisions of N.J.A.C. 6A:16-8.1 and 8.2 and Policy and Regulation 2417.

3. Remediation of Problem Behavior

The following actions may be taken to remediate problem behavior. These actions will take into account the behavior's nature, the students' developmental ages, and the students' histories of problem behaviors and performance.

a. Restitution and Restoration

- (1) A student may be required to make restitution for any loss resulting from the student's conduct; or
- (2) A student may be required, at the discretion of the school district and when appropriate, to restore to its former condition any damaged or defaced property resulting from the student's conduct.

b. Counseling

- (1) A student may be required to consult with school guidance counselors or Child Study Team members.
- (2) The counselor will explain why the student's conduct is unacceptable to the school and damaging to the student, what the consequences of continued misconduct are likely to be, and appropriate alternative behaviors.
- (3) The counselor may refer the student, as appropriate, for additional counseling, evaluation, intervention, treatment, or therapy. Referrals may be made to the Child Study Team, the school's Intervention and Referral Services Team, a public or private social agency, a legal agency, or any other referral service that may assist the student.

c. Parent Conferences

- (1) Students may be required to attend a meeting with their parent and appropriate school staff members to discuss the causes of the

student's behavior, possible remediation, potential disciplinary measures, and alternative conduct.

d. Alternate Educational Program

- (1) Students may be assigned to an alternate educational program as recommended by the student's guidance counselor, classroom teacher, Child Study Team, and/or other school staff member.

4. Students with Disabilities

For students with disabilities, the remedial measures and behavioral interventions and supports shall be determined and provided pursuant to N.J.A.C. 6A:14.

F. School Responses to Violations of Behavioral Expectations

1. In accordance with the provisions of N.J.A.C. 6A:16-7.1(c)5, the Student Code of Conduct shall include a description of school responses to violations of behavioral expectations established by the Board of Education that, at a minimum are graded according to the severity of the offenses, and consider the developmental ages of the student offenders and their histories of inappropriate behavior that shall:
 - a. Include a continuum of actions designed to remediate and, where necessary or required by law, to impose sanctions;
 - b. Be consistent with other responses, pursuant to N.J.A.C. 6A:16-5.5;
 - c. Provide for equitable application of the Code of Student Conduct without regard to race; color; religion; ancestry; national origin; nationality; sex; gender; sexual orientation; gender identity or expression; marital, domestic-partnership, or civil union; mental, physical, or sensory disability; or any other distinguishing characteristic, pursuant to N.J.S.A. 10:5-1 et seq. and
 - d. Be consistent with provisions of N.J.S.A. 18A:6-1, Corporal Punishment of Students.

G. Description of School Responses

School responses to violations of behavioral expectations are listed below:

REGULATION

RANDOLPH BOARD OF EDUCATION

PUPILS

R 5600/page 6 of 11

Student Discipline/Code of Conduct

1. Admonishment/Reprimand
 - a. A school staff member in authority may admonish or reprimand a student's unacceptable conduct and warn the student that additional misconduct may warrant a more severe penalty.
2. Temporary Removal from Classroom
 - a. The classroom teacher may direct the student report to the office of the administrator in charge of student discipline.
 - b. The teacher will complete a form that indicates the student's name and the conduct that has caused the student's removal from the teacher's room.
 - c. The administrator in charge of discipline will interview the student and determine which, if any, additional consequences shall be imposed.
3. Meeting with School Administration and Parent
 - a. The student's parent may be required to attend a meeting with the Principal or designee and the student to discuss the student's conduct and to ensure the parent and the student understand school rules and expectations.
4. Deprivation of Privileges
 - a. Students may be deprived privileges as disciplinary sanctions when designed to maintain the order and integrity of the school environment. These privileges may include, but are not limited to:
 - (1) Moving freely about the school building;
 - (2) Participation in co-curricular or inter/intrascholastic activities;
 - (3) Attendance at a school-related social or sports activity;
 - (4) Participation in a graduation ceremony;
 - (5) Transportation to and from school on a school bus; or
 - (6) Any other privilege the Building Principal or designee determines may be appropriate and consistent with Policy and Regulation 5600 and N.J.A.C. 6A:16-7.1 et seq.

5. Detention
 - a. A student may be required to report before or after the school day to detention. This detention may be assigned by the teacher or the Principal or designee.
 - b. Transportation to detention before school or from detention after school will be the responsibility of the parent.
 - c. A student may be excused from detention only for an unavoidable commitment previously made; any such excused detention must be made up on another day.
6. Grade Adjustment
 - a. A student who has cheated on a test or assignment, plagiarized material, falsified sources, refused to submit assignments, or otherwise indulged in academic dishonesty or negligence may suffer a reduced grade by virtue of the disqualified work. In no other instance may a student's grade be lowered as a direct penalty for misconduct.
7. In-school Suspension
 - a. If the school operates an in-school suspension program, a student may be removed from his/her regular classes and required to report to the in-school suspension program.
 - b. In-school suspension will not be imposed without the due process procedures set forth in Policy and Regulation 5610.
8. Suspension from School
 - a. A student may be denied the right to attend school for a period of time pursuant to N.J.S.A. 18A:37-2, N.J.A.C. 6A:16-7.2 and 6A:16-7.3, and Policy 5610.
 - b. Suspension from school will not be imposed without the due process procedures set forth in Policy and Regulation 5610.
9. Expulsion

- a. The Board may expel a general education student from school, pursuant to N.J.S.A. 18A:37-2, N.J.A.C. 6A:16-7.4, and Policy 5620.
- b. Expulsion is an extremely serious disciplinary measure and will not be imposed without the due process set forth in Policy and Regulation 5610 and Policy 5620.

H. Chart of Discipline

1. A Chart of Student Discipline listing school responses to violations of behavioral expectations shall be reviewed by the Board and included on each school's website.
2. The school responses to violations of behavioral expectations that are subject to student discipline including suspension or expulsion pursuant to N.J.S.A. 18A:37-2 outlined in a Chart of Student Discipline shall be consistent with the Board's policies and regulations/procedures on attendance, pursuant to N.J.A.C. 6A:16-7.6 and harassment, intimidation, and bullying, pursuant to N.J.A.C. 6A:16-7.7.
3. The Principal or designee will maintain a list of community-based health and social service provider agencies available to support a student and a student's family, as appropriate, and a list of legal resources available to serve the community.
4. The Board of Education may deny participation in extra-curricular activities, school functions, sports, graduation exercises, or other privileges as disciplinary sanctions when designed to maintain the order and integrity of the school environment.
5. Nothing in Policy and Regulation 5600 shall prevent the school administration from imposing a consequence for unacceptable student conduct not listed or included in a Chart of Student Discipline.

I. Student Conduct Away from School Grounds

1. The Building Principal or designee has the right to impose a consequence on a student for conduct away from school grounds that is consistent with the Board's Code of Student Conduct, pursuant to N.J.A.C. 6A:16-7.1.
 - a. This authority shall be exercised only when it is reasonably necessary for the student's physical or emotional safety, security, and well-being or for

reasons relating to the safety, security, and well-being of other students, staff, or school grounds, pursuant to N.J.S.A. 18A:25-2 and 18A:37-2.

- b. This authority shall be exercised only when the conduct that is the subject of the proposed consequence materially and substantially interferes with the requirements of appropriate discipline in the operation of the school.
- c. Consequences for conduct away from school grounds shall be handled in accordance with the Board approved Code of Student Conduct, pursuant to N.J.A.C. 6A:16-7.1, Policy and Regulation 5600, and as appropriate, in accordance with N.J.A.C. 6A:16-7-2, 7.3, or 7.4.

2. School authorities shall respond to harassment, intimidation, or bullying that occurs off school grounds, pursuant to N.J.S.A. 18A:37-14 and 15.3 and N.J.A.C. 6A:16-1.3, 7.1, and 7.7.

J. School Bus Conduct

Violations of the rules regarding student conduct on school buses will be handled as follows:

1. The bus driver will report unacceptable conduct to the Principal of the school in which the student is enrolled by submission of a completed written report that includes the name of the student, the school, and the student's conduct.
2. The Principal or designee will investigate the matter, which may include meeting with the bus driver, bus aide, other students on the school bus, and the student who was reported by the bus driver.
3. The parent will be notified of the student's reported conduct.
4. The Principal or designee will make a determination if the student violated behavioral expectations and the discipline to be administered in accordance with the Code of Student Conduct.
5. If it is determined the misconduct is severe, the student may be suspended from the bus pending a conference with the parent.

K. Students with Disabilities

For students with disabilities, subject to Individualized Education Programs in accordance with 20 U.S.C. § 1400 et seq., the Individuals with Disabilities Educational Improvement Act, N.J.A.C 6A:14, and accommodation plans under 29 U.S.C. §§ 794 and

705(20), student discipline and the Code of Student Conduct shall be implemented in accordance with the components of the applicable plans.

L. Records

1. Instances of student discipline will be recorded in the student's file in strict compliance with N.J.A.C. 6A:32-7.1 et seq. and Policy and Regulation 8330.
2. When a student transfers to a public school district from another public school district, all information in the student's record related to disciplinary actions taken against the student by the school district and any information the school district has obtained pursuant to N.J.S.A. 2A:4A-60, Disclosure of Juvenile Information; Penalties for Disclosure, shall be provided to the receiving public school district, in accordance with the provisions of N.J.S.A. 18A:36-19(a), and N.J.A.C. 6A:32-7.5.
 - a. The record shall be provided within two weeks of the date that the student enrolls in the receiving district.
 - b. Written consent of the parent or adult student shall not be required as a condition of the record transfer; however, written notice of the transfer shall be provided to the parent or the adult student.
3. When a student transfers to a private school, which includes all sectarian or nonsectarian, nonprofit, institutional day, or residential schools that provide education for students placed by their parents and that are controlled by other than public authority, all student disciplinary records with respect to suspensions or expulsions, shall be provided by the public school district of residence to the private school upon written request from the private school, in the same manner the records would be provided to a public school, pursuant to 20 U.S.C. § 6301, Title IV § 4155 of the Elementary and Secondary Education Act.
4. The Board shall not use a student's past offenses on record to discriminate against the student.
5. All student disciplinary records pursuant to N.J.A.C. 6A:16-7 shall conform with the requirements set forth in N.J.A.C. 6A:16-7.8(d).

M. Annual Review

The Superintendent will designate a school staff member to coordinate an annual review and update of Policy and Regulation 5600. The Superintendent's designee will:

1. Compile an annual summary report of violations of the student behavioral expectations and the associated school responses to the violations in the Student Discipline/Code of Conduct Policy and Regulation.
2. Convene a Student Discipline/Code of Conduct Committee comprised of parents, students, and community members that represent the composition of the district's schools and community to review the annual summary report and to develop recommendations, if any, to improve and update the Student Discipline/Code of Conduct Policy and Regulation.
3. The Superintendent's designee shall submit the Committee's recommendations, if any, to improve or update the Student Discipline/Code of Conduct Policy and Regulation.
4. The Superintendent will review the Committee's report with school administrators and will determine if the Student Discipline/Code of Conduct Policy and Regulation should be updated.
5. The Superintendent will recommend to the Board revisions to the Student Discipline/Code of Conduct Policy, if needed.

N. Policy and Regulation Publication and Distribution

The Student Discipline/Code of Conduct Policy and Regulation 5600, including the Chart of Student Discipline shall be available on each school's website for all school staff, students, and parents. Principals will ensure these documents are made available to all students on or before the first day of each school year and to transferring students on the first day of their enrollment in this district.

8505 WELLNESS POLICY/NUTRIENT STANDARDS FOR
MEALS AND OTHER FOODS

The Board of Education recognizes child and adolescent obesity has become a major health concern in the United States. The Healthy, Hunger Free Kids Act of 2010 (HHFKA), funds child nutrition programs and establishes required nutrition standards for school lunch and breakfast programs. In accordance with the requirements of the HHFKA each school in the district shall implement this Wellness Policy that includes goals for nutrition promotion, nutrition education, physical activity, and other school-based activities that promote student wellness.

A. Wellness Policy Goals

The goals as outlined below shall apply to each school in the district.

1. Goals for Nutrition Promotion – The following activities will be coordinated in each school in the district:
 - a. Age-appropriate posters will be posted on the walls where food and beverages are served to students highlighting and encouraging the value of good nutrition.
 - b. The school lunch program will have promotional days during the school year where at least one new nutritional alternative menu item will be featured as part of the menu pattern meal component. The food service staff members will promote this nutritional alternative during meal service with posters, flyers, and/or hand-outs regarding the nutritional menu item alternative.
 - c. The Principal or designee will encourage food products that meet the nutrition standards of the HHFKA when used as an incentive or reward for student accomplishments, club or activity achievements, and/or success in competitions within the school.
 - d. Food service staff, in consultation with the Principal or designee, will coordinate obtaining student input on menu planning that will include taste

testing of new nutritional food, satisfaction surveys, and other activities that will promote nutrition awareness.

- e. Food service staff will place the healthier food items in the service line where students are more likely to choose them.
 - f. Parents will be provided the nutritional standards of the HHFKA and encourage parents to pack lunches and snacks that meet the HHFKA nutritional standards.
2. Goals for Nutrition Education – The following activities will be coordinated in each school in the district:
- a. The Principal will ensure each student receives at least one presentation per school year that promotes good nutrition and nutrition education. These presentations may be provided through classroom visits from school staff members trained in nutrition, school-wide or group assembly programs, during health/physical education classes during the school year, or any other presentation manner. This requirement may be provided as part of nutrition education provided to students as part of the district's curriculum.
 - b. The Principal or designee will post the nutritional guidelines of the HHFKA in the area of the school building where food and beverages are served.
 - c. The school lunch menu will include nutritional information, activities, recipes, and/or any other information that encourages the selection of healthy food items.
3. Goals for Physical Activity
- a. The following activities will be coordinated in each elementary school in the district:
 - (1) All students shall receive health/physical education under the supervision of a properly certified teaching staff member as required by the New Jersey Department of Education.

- (2) The Principal or designee will ensure there is age-appropriate equipment and supplies available during recess time for students to participate in physical activities.
 - (3) Students will be encouraged by school staff members supervising student recess time to participate in some type of physical activity, which may include, but not be limited to: walking; playing games that require physical activity, such as kick ball, volleyball, baseball, basketball, etc.; rope jumping; and/or using playground equipment.
 - (4) The Principal will encourage classroom teachers to incorporate brief, physical activity breaks into the school day to establish an environment that promotes regular physical activity throughout the school day.
 - (5) The Principal or designee will coordinate special events that highlight physical activity, which may include field days, walk-a-thons, and activity tournaments or competitions. The Principal or designee may involve parents, community members, and students in the planning of these events.
- b. The following activities will be coordinated in each middle school in the district:
- (1) All students shall receive health/physical education under the supervision of a properly certified teaching staff member as required by the New Jersey Department of Education.
 - (2) The Board of Education may offer middle school students opportunities to participate in after-school intramural and/or interscholastic team activities coordinated and under the supervision of school staff members.
 - (3) The Board of Education will support after-school activities and clubs where physical activity for students is included as a key component to the activity's or club's purpose. These clubs may include, but not be limited to, gardening clubs, walking clubs, and exercise classes.

- c. The following activities will be coordinated in each high school in the district:
 - (1) All students shall receive health/physical education under the supervision of a properly certified teaching staff member as required by the New Jersey Department of Education.
 - (2) The Board of Education will offer high school students opportunities to participate in after-school intramural and/or interscholastic team activities coordinated and under the supervision of school staff members.
 - (3) The Board of Education will support after-school activities and clubs where physical activity for students is included as a key component to the activity's or club's purpose. These clubs may include, but not be limited to, gardening clubs, walking clubs, and exercise classes.

- 4. Goals for Other School-Based Activities - The following activities will be coordinated in each school in the district:
 - a. Each school in the district will establish a Wellness Committee comprised of the Principal or designee, at least one health/physical education teacher, a school nurse, at least two parents, at least two students, and at least one food service staff member.
 - b. The Principal or designee will coordinate information being disseminated to students and parents promoting the school lunch program, nutrition, and nutrition education.
 - c. The school district will celebrate a School Wellness Week, as determined by the Superintendent of Schools, where schools will have special activities throughout the week to promote nutrition and physical activity. These special activities will be planned and coordinated by each school's Wellness Committee.
 - d. The Principal will encourage fund-raising activities that promote physical activity such as walk-a-thons, teacher-student activity competitions, family activity nights, and school dances.

5. Annual School Progress Report
 - a. The goals for nutrition promotion, nutrition education, physical activity, and other school-based activities that promote student wellness shall be evaluated annually by the Principal or designee of each school and the school's Wellness Committee in an Annual School Progress Report provided to the Superintendent of Schools before June 30.
 - b. The Annual School Progress Report shall present the extent to which each school is in compliance with this Policy, the progress made in attaining the goals of this Policy, any recommended changes to this Policy, and an action plan for the following school year to achieve the school's annual goals and objectives.

 6. Annual District Summary Progress Report
 - a. Upon receiving the Annual School Progress Report from each school, the Superintendent or designee will compile an Annual District Summary Progress Report to be presented to the Board of Education at a public meeting before the beginning of the school year. The public will be provided an opportunity to review and comment on the Annual District Summary Progress Report at the Board meeting.
 - b. Revisions to this Policy will be recommended by the Superintendent or designee to be approved by the Board of Education before September 30 of each school year.

 7. Additional Wellness Policy Goals
 - a. Nothing in this Policy shall prevent an individual school in the district from developing and implementing additional activities, approved by the Superintendent or designee, to those required in this Policy.
- B. Nutrition Guidelines for All Foods and Beverages
1. The Board of Education requires each school in the district to comply with the Federal school meal nutrition standards and the smart snacks in accordance with the requirements HHFKA. The nutritional standards shall apply to all foods and beverages sold in each school in the district as part of the menu pattern meal, a la

carte, in school stores, snack bars, or vending machines. The food requirements for any food sold in schools must meet a range of calorie and nutrient requirements as outlined in the HHFKA.

2. The school district will comply with the HHFKA beverage requirements and beverage portion requirements for elementary, middle, and secondary schools. Each school will make potable water available to children at no charge in the place where breakfast, lunch, and afterschool snacks are served during meal service.
3. On-campus fundraisers involving food or beverage items must meet the Smart Snack standards of the HHFKA. The nutrition standards of the HHFKA do not apply to non-school hours, weekends, and off-campus fundraising events. The United States Department of Agriculture defines school day as starting from midnight to thirty minutes after the end of the school day. Fundraisers involving the sale of food or beverages must be submitted to the Principal or designee for approval.
4. Food and beverages served during special school celebrations or during curriculum related activities shall be exempt from this policy, with the exception of foods of minimal nutritional value as defined by USDA regulations.
5. This policy does not apply to: medically authorized special needs diets pursuant to 7 CFR Part 210; school nurses using FMNVs during the course of providing health care to individual students; or special needs students whose Individualized Education Plan (IEP) indicates their use for behavior modification.

C. District Coordinator

The Superintendent or designee shall be the school district official responsible to ensure each school in the district complies with the requirements as outlined in this Policy.

D. Publication/Dissemination

This Policy will be made available to staff members, students, and parents by being posted on the school district and/or school websites.
