

EDUCATION MOTION 1

DECEMBER 6, 2016

RESOLVED, that the Board of Education hereby affirms the Administration's finding of unfounded H.I.B. in case No. RMS-10172016 heard during this evening's Executive Session based upon the fact that the conduct at issue did not meet the statutory definition of H.I.B. because it was not reasonably perceived as being motivated by any actual or perceived characteristic with the meaning of the law and Board policy.
