0152 BOARD OFFICERS

The Board of Education shall organize at its first regular meeting by electing one of its members as President and another as Vice-President.

Any member may place a member's name in nomination; a second is not required. A discussion may follow before the vote. Election for each office will be conducted by a vote when the nominations for that office are closed. The candidate receiving a majority vote of the members of the Board present and constituting a quorum will be elected to office.

Voting shall take place by verbal roll call vote after nominations are closed. The Board Secretary will call the roll on the nominated candidates. Upon being called in the roll, each Board member shall state the name of the nominated candidate who he/she wishes to fill the position. In the event no candidate receives a majority vote of the members of the Board present and constituting a quorum, the procedure shall continue until someone receives a majority vote. Nothing shall preclude a Board member from changing his/her vote after the first round of voting. Moreover, nothing shall preclude a Board member from making another nomination if the Board is deadlocked on the initial slate of nominees.

Officers shall serve for one year and until their respective successors are elected and shall qualify, but if the Board shall fail to hold the organization meeting or to elect Board officers as prescribed by N.J.S.A. 18A:15-1, the Executive County Superintendent shall appoint from among the members of the Board a President and/or Vice-President.

A President or Vice-President who refuses to perform a duty imposed upon him/her by law may be removed by a majority vote of the Board members present and constituting a quorum. In the event the office of President or Vice-President shall become vacant the Board shall, within thirty days thereafter, fill the vacancy for the unexpired term. If the Board fails to fill the vacancy within such time, the Executive County Superintendent shall fill the vacancy for the unexpired term.

7440 SCHOOL DISTRICT SECURITY

The Board of Education believes the buildings and facilities of the school district represent a substantial community investment. The Board directs the development and implementation of a plan for school district security to protect the school community's investment in the school buildings and facilities. The Board will comply with the security measures required in N.J.S.A. 18A:7G-5.2 for new school construction and for existing school buildings.

The school district security program will include: maintenance of facilities that are secure against unwelcome intrusion; protection against fire hazards and faulty equipment; and compliance with safe practices in the use of electrical, plumbing, heating, and other school building equipment.

The Board shall provide to local law enforcement authorities a copy of the current blueprints and maps for all schools and school grounds within the school district or nonpublic school. In the case of a school building located in a municipality in which there is no municipal police department, a copy of the blueprints and maps shall be provided to an entity designated by the Superintendent of the New Jersey State Police. The Board shall provide revised copies to the applicable law enforcement authorities or designated entities any time that there is a change to the blueprints or maps.

The Board directs close cooperation of district officials with law enforcement, fire officials, and other emergency agencies.

Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency pursuant to N.J.S.A. 18A:41-10 through 13.

The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist certification in accordance with the provisions of N.J.S.A. 18A:17-43.2. The School Safety Specialist shall also serve as the school district's liaison with local law enforcement and national, State, and community agencies and organizations in matters of school safety and security.

Access to school buildings and grounds outside the hours school is in session shall be limited to personnel whose employment requires their presence in the facility. An adequate

key control system will be established to limit building access to authorized personnel and guard against the potential of intrusion by unauthorized persons who have obtained access improperly.

In accordance with N.J.S.A. 18A:7G-5.2.b.(15), propping open doors to buildings on school grounds is strictly prohibited and students and staff shall not open a door for any individual. All persons seeking entry into the main building shall be directed to the main entrance.

Building records and funds shall be kept in a safe place and secured as appropriate and necessary.

Protective devices designed to be used as safeguards against illegal entry and vandalism may be installed when appropriate. The Board may approve the employment of school resource officers, ~~or~~ school security officers, and/or law enforcement officers in situations in which special risks are involved.

R 7440 SCHOOL DISTRICT SECURITY

A. Definitions

“Access” means authorized access to a school building or school grounds through the use of a Board-approved key control system.

“Key control system” means the use of a key, card, code, or any other means to disengage a locking mechanism to provide entry to a school building or school grounds.

“Panic alarm” means a silent security system signal generated by the manual activation of a device intended to signal a life-threatening or emergency situation requiring a response from law enforcement.

“School buildings” and “school grounds” means and includes land, portions of land, structures, buildings, and vehicles, when used for the provision of academic or extracurricular programs sponsored by the school district or community provider and structures that support these buildings, such as school district wastewater treatment facilities, generating facilities, and other central service facilities including, but not limited to, kitchens and maintenance shops. “School buildings” and “school grounds” also includes athletic stadiums; swimming pools; any associated structures or related equipment tied to such facilities including, but not limited to, grandstands; night field lights; greenhouses; garages; facilities used for non-instructional or non-educational purposes; and any structure, building, or facility used solely for school administration. “School buildings” and “school grounds” also includes other facilities such as playgrounds; and other recreational places owned by local municipalities, private entities, or other individuals during those times when the school district has exclusive use of a portion of such land in accordance with N.J.A.C. 6A:16-1.3 and 6A:26-1.2.

B. Access to School Buildings and School Grounds

1. Access to school buildings and grounds during the school day will be permitted to all students enrolled in the school, all authorized school staff members, and visitors pursuant to Policy and Regulation 9150.
2. Access to school buildings and grounds before and after the school day will be permitted to:
 - a. Members of the Board of Education;

- b. Administrative and supervisory staff members, teaching staff members, and support staff members assigned to a school building or grounds in the performance of their duties;
 - c. Other school staff members in the performance of their professional responsibilities;
 - d. Students involved in interscholastic athletics, co-curricular or extra-curricular activities, and authorized spectators;
 - e. Members of organizations granted the use of school premises pursuant to Policy and Regulation 7510;
 - f. Police officers, fire fighters, health inspectors, and other agents of Federal, State, and local government in the performance of their official duties;
 - g. Members of the public present to attend a public Board of Education or public school-related function; and
 - h. Others authorized by the Superintendent or designee and/or by Board Policy.
3. All visitors to a school building during a school day will be required to register their presence in the school and comply with the provisions of Policy and Regulation 9150. The school's registration and sign-in procedures may include the use of a school visitor management system requiring the visitor to present acceptable identification to access the school building.
 4. Signs will be conspicuously posted to inform visitors of the requirement to register their presence into the building.
- C. Key Control System for Access to School Buildings and Facilities
1. School staff members will be provided access to a school building using the school's key control system as follows:
 - a. Teaching staff members and support staff members will be provided access using the school's key control system to the school building and to other facilities on school grounds to which they require access for the performance of their professional duties.

- (1) The Building Principal will determine the school staff members who shall be provided access to facilities within the school building and on school grounds.
 - (2) The Superintendent or designee will determine the district administrators, supervisors, and other staff members who shall be provided access to facilities within the school building and on school grounds.
 2. School staff members provided access to a school building or other facilities on school grounds shall be responsible for ensuring their key control system authorization is not shared with another individual without prior approval of the Principal or designee for school staff members, or the Superintendent or designee for district staff members. Staff members are prohibited from permitting their key control system authorization to be used by another person unless prior approval is obtained from the Principal or designee at the building level and Superintendent or designee at the district level or in the event of an emergency.
 3. A staff member's loss of a key, card, or any other device authorizing the staff member access to a school building or a facility on school grounds must be immediately reported to the Principal or Superintendent or designee. The staff member who loses a key, card, or any such access device may be responsible for the replacement cost.
- D. School Building Panic Alarm or Emergency Mechanisms (N.J.S.A. 18A:41-10 through 13)
1. Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency including, but not limited to, a non-fire evacuation, lockdown, or active shooter situation.
 2. The alarm shall be directly linked to local law enforcement authorities or, in the case of a school building located in a municipality in which there is no municipal police department, a location designated by the Superintendent of the New Jersey State Police.
 3. The alarm shall be capable of immediately transmitting a signal or message to such authorities outlined in D.2. above upon activation.
 4. The alarm shall not be audible within the school building.

5. Each panic alarm required under N.J.S.A. 18A:41-11 and Policy and Regulation 7440 shall:
 - a. Adhere to nationally recognized industry standards, including the standards of the National Fire Protection Association and Underwriters Laboratories; and
 - b. Be installed solely by a person licensed to engage in the alarm business in accordance with the provisions of N.J.S.A. 45:5A-27.
6. The school district may equip its elementary and secondary school buildings with an emergency mechanism that is an alternative to a panic alarm if the mechanism is approved by the New Jersey Department of Education.

E. Staff Member Responsibilities

1. Staff members should not bring to school valuable personal items that cannot be in the staff member's personal possession at all times. The Board of Education is not responsible for a staff member's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed.
2. In the event a staff member observes a student has a valuable item in school, the staff member will report it to the Principal or designee. A valuable item may include, but is not limited to, an unusually large amount of money, expensive jewelry or electronic equipment, or any item that is determined by the Principal or designee to be valuable to a student based on the student's age.
 - a. The Principal or designee may contact the student's parent and request the parent come to school to retrieve the valuable item;
 - b. The Principal or designee may secure the valuable item and return it to the student at the end of the school day and inform the student and the parent not to bring the valuable item to school in the future; or
 - c. The Principal or designee will permit the student to maintain the valuable item and inform the student and the parent not to bring the valuable item to school in the future.

- d. The Board of Education is not responsible for a student's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed when in the possession of the student.
 3. Teaching staff members shall close classroom windows and shut and lock classroom doors when leaving at the end of the school day; shut and lock classroom doors during the school day when the room is not going to be in use after their assignment, and report immediately to the Principal or designee any evidence of tampering or theft.
 4. Custodians shall, at the end of the work day, conduct a security check of the building to make certain that all windows are closed and all office, classroom, and building doors are shut and locked, except as such doors may be required to be open for persons with access.
 5. Office personnel shall take all reasonable precautions to ensure the security of all school and district records and documents against unauthorized access, deterioration, and destruction.
- F. School Safety Specialist
1. The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3.
 2. The School Safety Specialist shall:
 - a. Be responsible for the supervision and oversight for all school safety and security personnel, policies, and procedures in the school district;
 - b. Ensure that these policies and procedures are in compliance with State law and regulations; and
 - c. Provide the necessary training and resources to school district staff in matters relating to school safety and security.
 3. The School Safety Specialist shall also serve as the school district's liaison with law enforcement and national, State, and community agencies and organizations in matters of school safety and security.

4. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist Certification in accordance with the provisions of N.J.S.A. 18A:17-43.2.
- G. Summoning Law Enforcement Authorities
1. Law enforcement authorities will be summoned promptly whenever evidence is discovered that indicates: a crime has been committed on school premises or in the course of staff or student transportation to or from school; a break and entry may have occurred on school grounds; a deadly weapon is on school premises; a breach of the peace has occurred on school premises; for any reason required in the Memorandum of Understanding between the Board of Education and Law Enforcement and in accordance with Policy and Regulation 9320; or for any other reason there is concern about the health, safety, and welfare of persons on school grounds or school property.
 2. Anytime law enforcement agents are summoned in accordance with G.1. above, the Superintendent will be notified as soon as possible.

8630 BUS DRIVER/BUS AIDE RESPONSIBILITY

The Board of Education requires all school bus drivers and bus aides employed by the district or employed by a contracted school bus company to be reliable persons of good moral character who possess the qualifications necessary to perform the duties of the position. Anyone driving a school bus used to transport students to and from school and school related activities must meet all requirements of N.J.S.A. 18A, N.J.A.C. 6A, and all New Jersey Motor Vehicle Commission (NJMVC) rules governing school bus drivers. All school bus drivers must possess the appropriate license and endorsement(s) to drive a school bus in the State of New Jersey and are subject to all the Federal and State requirements to maintain the appropriate license.

“Employer” for the purposes of this Policy and Regulation means a Board of Education or a contractor that provides student transportation services under contract with the Board of Education. In the event the school district employs school bus drivers and bus aides and/or uses a contractor for transportation services, the “employer” for school district employed school bus drivers and bus aides shall be the Board of Education and the “employer” for contracted school bus drivers and bus aides shall be the contractor that provides student transportation under contract with the Board of Education.

School bus drivers and bus aides shall meet criminal history background check requirements pursuant to N.J.S.A. 18A:6-7.1(c) and tuberculin testing requirements pursuant to applicable State statutes and administrative codes. School bus drivers and bus aides shall be considered under the Federal Family Educational Rights and Privacy Act (FERPA) to be school officials who have a legitimate educational interest to parts of a student’s record relating to transportation, without parental consent, as outlined in N.J.A.C. 6A:27-12.1(j)1.

In addition to the medical examination required of every holder of a special license issued for the transporting of children to and from schools pursuant to N.J.S.A. 39:3-10.1 et seq., any school bus driver who is seventy years of age or older shall annually furnish, to the employer for review by the NJMVC at the NJMVC’s biannual inspection, satisfactory evidence of continuing physical fitness in the form of a medical examination by a licensed medical doctor or licensed osteopathic physician. In addition, any school bus driver who is seventy-five years of age or older shall every six months furnish, to the employer for review by the NJMVC at the NJMVC’s biannual inspection, satisfactory evidence of continuing physical fitness in the form of a medical examination by a licensed medical doctor or licensed osteopathic physician. In addition, any person applying for a special license and any person who is the holder of a special license for the transporting of children to and from schools, pursuant to N.J.S.A. 18A:39-1 et seq., shall comply with the provisions of

Section 2 of N.J.S.A. 39:3-10.1a and Section 6 of N.J.S.A. 18A:39-19.1. The Chief Administrator of the NJMVC may suspend or revoke a license pursuant to N.J.S.A. 39:3-10.1.

All drivers of buses or other vehicles used by the Board for the transportation of students to and from school shall, in addition to any exam required by law, submit to a medical exam for the presence of alcohol, narcotics, or habit-producing drugs within the scope of the "New Jersey Controlled Dangerous Substances Act," (N.J.S.A. 24:21-1 et seq.).

All drivers of buses or other vehicles used by the Board for the transportation of students to and from school shall, in addition to any exam required by law, submit to a medical exam that includes hearing and visual acuity tests that are in accordance with the provisions of the "Motor Carrier Safety Improvement Act of 1999," 49 U.S.C. § 113.

A Commissioner of Education-developed training program on proper procedures for interacting with students with special needs shall be administered by the employer to all school bus drivers and bus aides in accordance with the requirements of N.J.S.A. 18A:39-19.2. This training program must be administered in accordance with the provisions of N.J.S.A. 18A:39-19.3.a. and all school bus drivers and bus aides must file a certification with their employer that the individual has completed the training program within five business days of its completion. The employer shall retain a copy of the certificate for the duration of the individual's employment and shall file a copy of the certification to the New Jersey Department of Education (NJDOE) in accordance with the provisions of N.J.S.A. 18A:39-19.3.b.

School bus drivers and bus aides shall receive training in the use of a student's educational records and in their responsibility to ensure the privacy of the student and his or her records N.J.A.C. 6A:27-12.1(j)2. In addition, permanent and substitute school bus drivers and bus aides shall be trained for the functions of their positions and in a safety education program as outlined in N.J.A.C. 6A:27-11.1 et seq.

In accordance with the provisions of N.J.S.A. 18A:39-28, school bus drivers must visually inspect the school bus they are assigned at the end of the transportation route to determine that no student has been left on the bus.

The school bus driver shall be in full charge of the school bus at all times and shall be responsible for maintaining order. The school bus driver will never exclude a student from the school bus, but if unable to manage a student, the school bus driver will report the unmanageable student to the Principal or designee of the school in which the student attends.

The Principal or designee, upon such report from the school bus driver, may assign appropriate discipline. The discipline may include excluding the student from the bus. The student's parent shall provide for the student's transportation to and from school during the time of exclusion.

Upon notification from the NJDOE that a school bus driver employed by the Board has had his or her bus driver's license suspended or revoked, the Board, within one business day of the notification, shall provide a statement to the NJDOE verifying that the school bus driver no longer operates a school bus for the Board in accordance with N.J.S.A. 18A:39-19.6.

In the event of an emergency, school bus drivers shall follow procedures established by this Board. School administrators shall organize and conduct emergency exit drills at least twice within the school year for all students who are transported to and from school. All other students shall receive school bus evacuation instruction at least once per year. School bus drivers and bus aides shall participate in the emergency exit drills, which shall be conducted on school property and shall be supervised by the Principal or person assigned to act in a supervisory capacity. Drills shall be documented in the minutes of the Board of Education at the first meeting following completion of the emergency exit drill in accordance with the provisions of N.J.A.C. 6A:27-11.2(d).

In accordance with the provisions of N.J.S.A. 18A:39-19.4, a Commissioner-developed student information card shall be completed by a parent of a student with an Individualized Education Plan (IEP), who receives transportation services, when the IEP is developed or amended. Upon receiving consent from the parent, the student information card shall be provided to a school bus driver and bus aide for each student on the bus route to which the school bus driver or bus aide is assigned for whom a student information card has been completed by the parent.

The school bus driver will immediately inform the Principal of the receiving school and the School Business Administrator or designee of the district providing the transportation following an accident that involves injury, death, or property damage. The school bus driver must also complete and file within ten days of the accident the Preliminary School Bus Accident Report prescribed by the Commissioner of Education. In addition to the Preliminary School Bus Accident Report, the driver of a school bus involved in an accident resulting in injury or death of any person, or damage to property of any one person in excess of \$500, shall complete and file within ten days after such accident a motor vehicle accident report in accordance with N.J.S.A. 39:4-130.

R 8630 EMERGENCY SCHOOL BUS PROCEDURES

A. Staff Training

1. The employer shall administer a safety education program for all permanent and substitute school bus drivers and school bus aides that it employs. At a minimum, the training shall include:
 - a. Student management and discipline;
 - b. School bus accident and emergency procedures;
 - c. Conducting school bus emergency exit drills;
 - d. Loading and unloading procedures;
 - e. School bus stop loading zone safety;
 - f. Inspecting the school vehicle for students left on board the bus at the end of a route; and
 - g. The use of student's educational records, including the employee's responsibility to ensure the privacy of the student and his or her records, if applicable.
2. The employer shall administer a safety education program to school bus drivers that includes defensive driving techniques and railroad crossing procedures.
3. The employer shall administer the safety education program, as set forth in A.1. and 2. above, twice per calendar year to all permanent and substitute school bus drivers and school bus aides it employs in accordance with N.J.S.A. 18A:39-19.1a.
4. The employer shall be responsible to administer a Commissioner of Education-developed training program on proper procedures for interacting with students with special needs in accordance with the provisions of N.J.S.A. 18A:39-19.2 and 18A:39-19.3 for all school bus drivers and school bus aides:

- a. In the case of a school bus driver or aide who is employed prior to the development and availability of the training program, the employer shall administer the training program to the individual no later than one hundred and eighty days after the training program is made available by the Commissioner;
 - b. In the case of a school bus driver or aide who is employed after the development and availability of the training program, the employer shall administer the training program to the individual prior to that individual operating a school bus or serving as an aide on a school bus;
 - c. In accordance with the provisions of N.J.S.A.18A:39-19.3.b., the employer shall require a school bus driver or school bus aide to file a certification with the employer that the individual has completed the training program required as per N.J.S.A. 18A:39-19.2 within five business days of its completion. The employer shall retain a copy of the certification for the duration of the individual's employment, and shall forward a copy of the certification to the New Jersey Department of Education (NJDOE); and/or
 - d. Contractors that provide student transportation services under a contract with the Board of Education shall comply with the requirements of N.J.S.A. 18A:39-19.2 and 19.3 and N.J.A.C. 6A:27-11.1 et seq.
- B. Emergency Bus Evacuation Drills
1. The Principal or designee of each school shall organize and conduct emergency bus exit drills at least twice within the school year for students who are transported to and from school and all other students shall receive school bus evacuation instruction at least once within the school year.
 2. School bus drivers and bus aides shall participate in the emergency exit drills.
 3. Bus exit drills will be conducted on school property and shall be supervised by the Principal or by a person assigned to act in a supervisory capacity. The drills will be conducted when weather is conducive to safety and preferably when the bus arrives at school with a full complement of students.

4. The portion of the drill involving the use of the rear emergency door, which requires students to jump from the bus to the ground does need not to be performed by every student and may be demonstrated by others.
5. The school bus driver or supervisor of the drill shall:
 - a. Describe and demonstrate the use of kick-out windows and split-sash windows;
 - b. Describe the location and use of flares, flags, fire ax, and other emergency equipment;
 - c. Give instruction in the opening and closing of front and rear doors, turning off the ignition switch, and setting and releasing the emergency brake;
 - d. Explain that the bus will be evacuated by the front door when the bus is damaged in the rear and by the rear door when the front door is blocked;
 - e. Demonstrate the use of the emergency exit door;
 - f. Instruct students that lunches and books should be left on the bus in the evacuation procedure;
 - g. Encourage older, bigger students to assist younger, smaller students in their exit from the bus;
 - h. Have students leave the bus one row at a time, left and right sides alternating, in a prompt and orderly fashion;
 - i. Instruct students to group a safe distance away from the bus and to wait in that place until directed by the driver, a police officer, or other adult in authority;
 - j. Tolerate no student misbehavior in the conduct of the drill; the failure of any student to follow directions must be reported to the Principal; and
 - k. Provide any other training required by Federal and State Law or as deemed appropriate by the Board that will protect the safety of the students in the event the bus needs to be exited due to an emergency.

6. In accordance with the provisions of N.J.A.C. 6A:27-11.2(d), emergency bus evacuation drills shall be documented in the minutes of the Board at the first meeting following completion of the emergency exit drill. The minutes shall include, but are not limited to, the following:
 - a. The date of the drill;
 - b. The time the drill was conducted;
 - c. The school name;
 - d. The location of the drill;
 - e. The route number(s) included in the drill; and
 - f. The name of the Principal or assigned person(s) who supervised the drill.
- C. Additional Precautions
1. School bus drivers may, depending on the age of the students on a bus route, discuss with the students' additional safety precautions that may be taken in the event of a bus emergency. The safety precautions to be discussed shall be approved by the Director of Transportation or designee.
 2. In accordance with the provisions of N.J.S.A. 18A:39-19.4, the Commissioner of Education shall develop a student information card that includes information that should be readily available to a school bus driver and school bus aide for the purpose of promoting proper interaction with a student with special needs. The parent of a student with an Individualized Education Plan (IEP) shall complete the student information card when the IEP is developed or amended for a student who receives transportation services.
 - a. Upon receiving consent from a student's parent, the school district shall provide a copy of the completed student information card to a school bus driver and school bus aide for each student on the bus route to which the school bus driver or school bus aide is assigned for whom a student information card has been completed by the parent.
 3. School bus drivers shall attend training workshops offered by the NJDOE and this school district and shall be trained in first aid.

4. Each school bus shall be equipped with:
 - a. A list of the students assigned to that bus;
 - b. A basic first aid kit;
 - c. Several emergency notice cards on which are printed the telephone numbers of the appropriate police department, the receiving school, and an emergency medical service and on which is provided a space for writing the location of a disabled school bus and the name of the bus driver;
 - d. Flags or flares or other warning devices; and
 - e. Any other equipment or supplies determined to be included on the school bus by the administration.

5. Each school bus driver shall:
 - a. Inspect his/her bus for possible hazards or safety concerns before driving the bus each day;
 - b. Keep aisles and passageways clear at all times;
 - c. Maintain student discipline on the bus;
 - d. Prohibit the presence of any non-service animal, firearm, ammunition, weapon, explosive, or any other dangerous or illegal material or object on the school bus;
 - e. Report promptly to the Director of Transportation any potential driving hazard on his/her route, such as construction, road work, etc.;
 - f. Report promptly to the Director of Transportation any deviation in the bus route or schedule;
 - g. Drive speeds limits at all times and exercise extraordinary care in inclement weather;
 - h. Know and obey all motor vehicle laws and regulations and State Board of Education regulations;

- i. Not smoke, eat, or drink while in or operating the bus at any time or perform any act or behave in any manner that may impair the safe operation of the school bus;
- j. Inspect the school vehicle for students left on board the bus at the end of a route, and
- k. Not allow a student on board a school bus unless the bus driver or other employee of the Board or school bus contractor is also on board the bus. 8670 TRANSPORTATION OF SPECIAL NEEDS STUDENTS

The Board of Education shall provide transportation services for students with special needs in accordance with N.J.S.A. 18A:39-1 et seq., N.J.A.C. 6A:27-5.1, and with their Individualized Education Program (IEP). The Board will provide transportation in accordance with N.J.A.C. 6A:27-5.1 as a related service for a student with special needs pursuant to N.J.A.C. 6A:14-3.9(a)7. Such transportation services may include, but are not limited to, special transportation equipment, transportation aides, and special arrangements for other assistance to and from school.

When an out-of-district placement for educational reasons is made, transportation shall be provided consistent with the school calendar of the receiving school. A copy of the school calendar shall be submitted to the resident district by May 15 preceding the year in which transportation is required, or at the time of placement if it occurs after May 15.

When necessary, the student's case manager shall provide the transportation coordinator or responsible staff member and the bus driver with specific information about the student including safety concerns, mode of communication, and health and behavioral characteristics of a student for whom transportation services are to be provided.

Students with special needs below the age of five shall be transported in vehicles equipped with safety belts or other child restraint systems, in accordance with applicable Federal and State regulations.

The transportation of students with special needs to special education programs approved by the Board and located outside the State will conform to guidelines established by the New Jersey State Department of Education pursuant to N.J.A.C. 6A:27-2.2(c)1.

State aid will be sought for the services provided in accordance with law and this Policy. The Board directs that appropriate records be maintained and all relevant documentation be preserved in order that the district be properly reimbursed for the costs of transportation.
