

## ***A PROCLAMATION***

Whereas, public schools are the backbone of our democracy, providing young people with the tools they'll need to maintain our nation's precious values of freedom, civility, and equality; and

Whereas, by equipping young Americans with both practical skills and broader intellectual abilities, schools give them hope for, and access to, a productive future; and

Whereas, education employees, be they substitute educators, custodians, teachers, support professionals, bus drivers or librarians, work tirelessly to serve our children and communities with care and professionalism; and

Whereas, schools are community linchpins, bringing together adults and children, educators and volunteers, business leaders and elected officials in a common enterprise.

Now, therefore, I,
