**Please note: this school calendar provides for 184 days, which satisfies the state minimum of 180 days and allows for up to four snow/emergency days. If the number of snow/emergency days used is either more or less than four, the calendar will be adjusted accordingly. If additional school days must be scheduled, the district will once again employ a strategy first implemented in 2013-2014. Students in grades K-11 will have any additional day(s) added to the end of the school year, and students in grade 12 will engage in a virtual learning experience under the NJDOE Option II protocol. The practical benefit of this approach enables the preservation of the entire spring break for all students and prevents the need to move graduation from its original date.**

SUBJECT TO CHANGE.**

**Please keep this in mind when making advance plans for the use of calendared holidays and vacations.**
