0131 BYLAWS AND POLICIES

The Board of Education shall exercise its rule-making power by adopting bylaws and policies for the organization and operation of the school district.

Adoption, Amendment, and Repeal

Bylaws and policies may be adopted, amended, and repealed at any meeting of the Board, provided the proposed adoption, amendment, or repeal has been proposed and approved at a previous meeting of the Board.

The Board may at its organization meeting and by a majority vote of those present and voting readopt existing bylaws and policies without prior notice.

The Board may, under emergency circumstances, suspend the operation of a bylaw or policy and adopt, amend, or repeal a bylaw or policy without prior notice. The adoption, amendment, repeal, or suspension of a bylaw or policy shall be recorded in the minutes of the Board. Any policy or part of a policy that is superseded by a term in a negotiated agreement or by a subsequently adopted policy shall no longer be in force and effect as a policy.

Bylaws and Policies

The manual of bylaws and policies shall be considered a public record open to inspection in the office of the Board Secretary. The manual retained by the Board Secretary shall be considered the master copy of the policy manual and shall not be modified by any person other than the Board Secretary or his/her designee.

Development of Bylaws and Policies

Bylaws and policies will be developed and considered by the Board in accordance with the following procedure:

1. A new or revised bylaw or policy may be suggested to the Board by any Board member, the Superintendent, any staff member, or a member of the public;
2. A suggestion for a new or revised bylaw or policy may be referred, at the discretion of the President and as appropriate to the subject, to the Superintendent, a Board committee, or a public advisory committee for study and formulation of a recommendation to the Board. Any study of a policy suggestion should consider whether the matter is adequately addressed in existing Board policy and whether the matter is more appropriately addressed by administrative regulation;
3. If a recommendation for a new or revised bylaw or policy results from referral for study, a proposed draft will be submitted to the Board for discussion and approval on first reading. Copies of the proposed draft will be made available to staff members and the public, and comment will be invited. Changes in the draft may be made, by a simple majority vote, when the draft is presented for approval on first reading;
4. The proposed draft, approved on first reading, will be submitted for adoption at the next regular meeting of the Board. Changes in the draft may be made by a simple majority vote. A change that alters the substantive meaning of the draft will constitute a new first reading, and the draft must be presented for adoption at the next succeeding Board meeting. The Board of Education may assume jurisdiction over any dispute or controversy arising within this school district and concerning any matter over which authority has been vested in the Board by statute, rule of the State Board of Education, or a contract or policy of this Board.

Board Self Evaluation

0134 BOARD SELF EVALUATION

The Board of Education is committed to the belief that every part of the school system in this district should be accountable to the public and that performance evaluation is essential to that accountability. The Board further believes that the improvement and growth of any institution depends upon an honest appraisal of its strengths and weaknesses. The Board accepts, therefore, responsibility for the conduct of a systematic program of self-evaluation and appraisal. The standards against which the Board will evaluate itself will be the educational goals, bylaws, and policies duly adopted by this Board.

Prior to the annual Board election the Board should adopt an evaluation instrument that permits individual Board members to record their assessments of the conduct of Board meetings, the fiscal management of the district, the conduct of the instructional program, and the relationship of the Board with the Superintendent, other district staff members, and the community.

The assessments of Board members will be tabulated and presented for discussion at a regular meeting of the Board in which the Superintendent will be invited to participate.

Board Member Election and Appointment

In considering candidates who have expressed an interest in a vacancy, the Board of Education may interview interested candidates in public or executive session. The Board will vote to appoint a candidate to a vacancy in public session. In the event interviews are conducted in executive session, Board members, in the public session nomination and voting process, shall express their opinion in support of their vote for a candidate.

A roll call vote will be conducted on candidates in the order the candidates were nominated with a second. If there are two or more vacancies, each vacancy will be filled by a separate election process. 0155.1 BOARD MEMBER PARTICIPATION IN COMMITTEE MEETINGS BY TELECONFERENCING OR VIDEO-CONFERENCING EQUIPMENT

Policy Intent

While the Board strongly encourages members to participate in committee meetings in person, there may be occasions when a committee member cannot physically be present at the meeting, but he/she nevertheless wishes to fully participate in the discussion. Therefore, due to advances in technology, the Board hereby wishes to allow its members, within reason, to participate in committee meetings by teleconferencing or videoconferencing equipment (or by other comparable technological means), subject to conditions set forth in this policy and at the discretion of the Board President based upon recommendations from the committee chairperson. This policy does not apply to duly convened meetings of the Board which are attended by a quorum of the Board, negotiations sessions where the Union is present or personnel committee meetings.

Conditions for Participation

The following conditions must be satisfied before a member is allowed to participate in a meeting remotely through the use of technology. However, satisfying these conditions do not guarantee that permission will be granted:

1. If a committee member cannot participate in a committee meeting due to family, business or personal reasons (hereinafter referred to as “good cause”), he or she shall notify the committee chair at least forty-eight (48) hours in advance of the meeting, if practicable. This notice requirement may be waived if the member could not have reasonably anticipated that he or she would not be able to attend the meeting in person.
2. The member must explain to the committee chair the reason(s) why the request is being made. The committee member must copy the Board President and Superintendent on the request.
3. If the subject matter before the committee involves confidential matters, the board member shall not request to participate unless the committee person is certain that he/she will be able to participate in the meeting from a location where others cannot hear or see the discussion.

4. The committee chair will then determine whether good cause exists so as to permit the member to participate, or whether to contact the alternate to see if that person can attend due to the nature of the business before the committee at that meeting. If the member making the request can only participate for a portion of the meeting, the preference shall be to use the alternate.
5. The committee chair may consult with the Board President in making his/her decision.
6. The committee chair must notify the board member of his or her determination as soon as is reasonably possible in advance of the meeting.
7. If permission is granted for remote participation, the board member must give his/her undivided attention to the committee and must participate in the entire meeting, unless excused from doing so by the committee chair.
8. The board member must be able to hear all of the members of the committee and vice versa through the communications equipment which will be used.
9. No more than 1 person shall be permitted to participate in a meeting remotely.
10. If the committee chair cannot be physically present at a meeting, the preference shall be to reschedule the meeting. However, if that is not possible, he/she shall seek permission from the Board President to participate remotely.
11. The meeting minutes should reflect the name of the member(s) who participated in the meeting remotely.

District Website Safeguards for Pupils and Staff

The district recognizes the value of providing opportunities for pupils and staff to publish information on building level web pages and the district website. The online publication of pupil and staff activities and programs, pupil and staff original work, staff contact information and the use of web pages and the district website to recognize pupil and staff accomplishments presents unique challenges for safeguards for protecting the privacy of individuals. The district has established and implemented safeguards for the publication of online information regarding pupils and staff. These safeguards will be subject to annual review by the administration and the Board of Education. At the beginning of each school year Building Principals will review this policy and the website safeguards with all staff.

Rules for safeguarding online publications will include, but not be limited to, the following:

1. Pupil phone numbers, addresses, names of family members and names of friends may not be included in online publications.
2. The specific physical location of a student at a given time may not be included in online publications. Only attendance at a particular school, classroom or school related activity is permitted.
3. Written permission from the parent(s) or legal guardian(s) and pupil(s) will be obtained for any publication of a pupil's photograph in online publications.
4. Staff members who do not want their photographs or contact information published online should inform their building administrator in writing.

Rules for safeguarding the online publication of photographs of pupils and original pupil work at the elementary schools will include but not be limited to the following:

1. A standard written permission release will be sent to parent(s) or legal guardian(s), of elementary pupils at the beginning of the school year. The release will grant permission for the pupil group photo and creative work to be published online as part of an educational or school site activity.
2. Only group (small or large) photographs will be published online unless specific written permission has been obtained from the parent(s) or legal guardian(s) and pupil(s).

0162 NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

Public Notice

The Board Secretary shall notify, in writing and no later than forty-eight hours in advance of the meeting, each Board member and each person who has duly requested such notification of the time, date, location, and, to the extent it is known, the agenda of any regular, special, or rescheduled meeting. Forty-eight hour notice shall also be posted in the Board office, delivered to two newspapers designated by the Board, and filed with the clerk of the Township of Randolph, except that forty-eight hour notice is not required where the time, date, and location of the meeting has been published in the annual list of meetings approved by the Board in accordance with law.

Upon the affirmative vote of three-quarters of the members present, the Board may meet in the absence of adequate notice, provided that discussion and action is limited to specific and unforeseen or unforeseeable matters of such urgency and importance that delay for the provision of notice would be likely to result in substantial harm to the public interest and that notice is given as soon as possible after the call of the meeting in accordance with the provisions of law and this bylaw.

Personal Notice of Meeting

The Board shall provide personal notice in writing to an adult pupil, the parent(s) or legal guardian(s) of a minor pupil, an employee or officer of this district, or a prospective employee whose privacy may be invaded or whose employment may be affected by the Board's deliberations in private session. Such personal notice will include the date and time of the private meeting, the subject or subjects scheduled for discussion at the private meeting, and the right of the individual given notice to request that the discussions be conducted at a public meeting. Personal notice will be given no less than seventy-two hours in advance of the private meeting.

A written request for public discussion must be signed by the person making the request and must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

0163 QUORUM

A quorum shall consist of five Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

In the event a quorum is not present at the hour of convening, the meeting may be recessed to a time not later than 9:00 p.m. of the same day. If a quorum is not then present, the members present may adjourn the meeting to a later date within seven days.

The Board of Education recognizes that there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act would be in violation of N.J.S.A. 18A:12-24. In these matters, the Board member(s) will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in his/her official capacity that is a conflict or would be in violation of N.J.S.A. 18A:12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission has envisioned this prohibition could create a situation in which so many Board members have a conflict, that the Board would be unable to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

A. Board Member(s) in Conflict - Less Than a Majority of The Board

1. In the event a Board member(s) has a conflict of interest where the Board member will act in his/her official capacity, the Board member must remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
2. In the event a Board member is unsure whether he/she or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s) is in violation of N.J.S.A. 18A:12-24 - Prohibited Acts, the School Board Attorney will make a determination.

Public participation shall be permitted only as indicated on the order of business in Board Bylaw No. 0164.

Public participation shall be extended to residents of this district, persons having a legitimate interest in the actions of this Board, persons representing groups in the community or school district, representatives of firms eligible to bid on materials or services solicited by the Board, and employees and pupils of this district, except when the issue addressed by the participant is subject to remediation by an alternate method provided for in policies or contracts of the Board.

0168 RECORDING BOARD MEETINGS

The Board of Education directs the creation and maintenance of an official record of the formal proceedings of the Board and will permit the unofficial recording of Board meetings in accordance with this bylaw.

Minutes

The Board shall keep reasonably comprehensible minutes of all its meetings showing the time and place, the members present, the subject considered, the actions taken, the vote of each member, information sufficient to explain the actions taken, and any other information required to be shown in the minutes by law.

Minutes of public meetings shall be public records signed by the Board Secretary and filed in the Board Secretary's office in a minute book as the permanent record of the acts of this Board.

Minutes of executive meetings shall be filed in the Board Secretary's office in a place separate from the minute book until the time, if any, when the proceedings may be made public. At that time, the minutes shall be public records and shall be filed in the regular minute book.

The Board Secretary shall provide each Board member with a copy of the minutes prior to Board approval.

Electronic Recording

The Board Secretary shall make an audio tape recording of each Board meeting as an administrative aid in the preparation of minutes. The recording shall be retained for forty-five days or until either summary or verbatim transcripts have been approved as minutes, whichever is longer, after which time they may be erased only if permission is granted by the New Jersey Department of State, Division of Archives and Record Management. All such recordings will be erased or destroyed in compliance with laws and rules for the destruction of public records.

The recording may not be able to be destroyed if a subject matter, vote, or Board action on the recording is the subject of litigation. The district will notify the New Jersey Division of Archives and Records Management when requesting permission that a recording be destroyed if the recording includes subject matter in litigation, or the district will not request permission to destroy such recording if the subject matter is in litigation.

Recording Board Meetings

Recording by the Public

A member of the public may record the proceedings of a public meeting of the Board provided the audio or video recording process complies with reasonable guidelines as outlined in this Bylaw. These guidelines are adopted to ensure the recording of the public meeting does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board members or other observers present at the meeting.

The Board will permit the use of video recording devices only when notice of such intended use has been given to the Board Secretary in advance of the meeting. The Board Secretary or designee shall review the video recording guidelines with the person requesting to video record. Prior notice is not required to audio record a meeting.

All audio and video recording devices shall be silent in operation, inoffensive, and unobtrusive. Any video recording device must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer of the meeting. Prior to the meeting, the presiding officer will determine the location of each recording device so the video recording device can video record the meeting with an unobstructed view. The presiding officer may permit a person wanting to video record the meeting using a small hand-held video recording device to sit with their video recording device in the public seating area of the meeting room provided the person recording and/or the recording device is not distracting or obtrusive to the meeting. A person that wants to audio record a public meeting shall sit with their audio recording device in the public seating area of the meeting room and shall not be distracting or obtrusive to the meeting. Additional lighting shall not be used unless approved by the presiding officer prior to the meeting. All recording devices must be battery operated, as the district cannot guarantee convenient availability or location of electric outlets in the meeting room.

The presiding officer shall determine when the number of video recording devices or if an audio or video recording device interferes with the conduct of a Board meeting and may order that an interfering device be removed or relocated. The presiding officer may also limit the number of video recording devices if he/she determines the number and positioning of the video recording devices will be an unnecessary intrusion to the meeting. In this event, preference will be given based on the order in which prior notice requesting to record the meeting was provided to the Board Secretary.

Any person who video records a public meeting in accordance with the provisions of this Policy shall provide the Board the opportunity to obtain a copy of the recording at the Board's expense, but the Board shall have no power to edit or abridge the original recording.

0169 BOARD MEMBER USE OF ELECTRONIC MAIL/INTERNET

The Board of Education is a public body as defined in the New Jersey Open Public Meetings Act, N.J.A.C. 10:4-6 et seq., and the Board and its members are required to comply with the provisions of this Act. It is the right of the public to be present at meetings of public bodies and to witness in full all phases of the deliberations, policy formulation, and decision-making. Board members acknowledge certain discussions between Board members, other than during a Board meeting, may be subject to the provisions of the Open Public Meetings Act.

The Board of Education is also subject to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. The Open Public Records Act requires public agencies/School Boards to make certain governmental records subject to public access. Board members may, by written and/or electronic mail (e-mail), communicate with each other and with certain school staff regarding the school district's public business. "Public business" means and includes all matters that relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business. Board members acknowledge these written communications may be classified as a governmental record and may be subject to public access pursuant to the Open Public Records Act.

In order to ensure the Board and/or individual Board members comply with the requirements of the Open Public Meetings Act and the Open Public Records Act, the following guidance is provided regarding certain discussions and written communications regarding the public business:

1. Written letters, e-mails, and supporting documents regarding school district matters written by Board members to other Board members or written by Board members to school staff, unless the subject matter is specifically exempt under the Open Public Records Law, are governmental records and are subject to public access. Based on the potential for improper/inappropriate disclosure and/or breach of confidentiality that may compromise the Board or Board member, these communications should not involve confidential matters, especially any matter the Board may discuss in executive/private session outside the presence of the public pursuant to the Open Public Meetings Act.
2. Written letters, internet (chat) discussions, e-mails, and supporting documents regarding the school district's public business written by Board members to other Board members shall not replace deliberations that would prevent the public from witnessing in full detail all phases of the Board's deliberations, policy formulation, and decision-making process in accordance with the intent of the Open Public Meetings Act.

0174 LEGAL SERVICES

In accordance with N.J.A.C. 6A:23A-5.2, the Board of Education adopts this Policy and its strategies to ensure the use of legal services by employees and the Board of Education members and the tracking of the use of legal services.

The Board of Education authorizes the Superintendent of Schools, or his/her designee, School Business Administrator/Board Secretary, and Board President as designated contact persons to request services or advice from contracted legal counsel.

The School Business Administrator/Board Secretary shall be responsible to review all legal bills and confer with designated contact persons in reviewing such legal bills.

In accordance with the provisions of N.J.A.C. 6A:23A-5.2(a)2, the Board designates the administrative staff member to review all legal bills and designates contact persons to ensure the prudent use of legal services.

School districts with legal costs that exceed one hundred thirty percent of the Statewide average per pupil amount should establish the procedures outlined in 1., 2., 3., and 4. below and, if not established, provide evidence such procedures would not result in a reduction of costs.

1. The designated contact person(s) shall ensure that contracted legal counsel is not contacted unnecessarily for management decisions or readily available information contained in district materials such as Board policies, administrative regulations, or guidance available through professional source materials.
2. All requests for legal advice shall be made to the designated contact person(s) in writing and shall be maintained on file in the district offices. The designated contact person shall determine whether the request warrants legal advice or if legal advice is necessary.
3. The designated contact person(s) shall maintain a log of all legal counsel contact including the name of the legal counsel contacted, date of the contact, issue discussed, and length of contact.
4. All written requests for legal advice and logs of legal counsel contacts shall be forwarded to the School Business Administrator/Board Secretary, who shall be responsible to review all legal bills and compare all legal bills to the contact logs and to investigate and resolve any variances.

Legal Services

Any professional services contract(s) for legal services shall prohibit advance payments. Services to be provided shall be described in detail in the contract and invoices for payment shall itemize the services provided for the billing period. Payments to legal counsel(s) shall only be for services actually provided.

School districts and vocational school districts are prohibited from contracting with legal counsel or using in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board members or pursuing any claim or cause of action for which the damages to be awarded would benefit an individual rather than the school district as a whole.

The Board of Education will annually establish prior to budget preparation, a maximum dollar limit for each type of professional service, including legal services. In the event it becomes necessary to exceed the established maximum dollar limit for the professional service, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for legal services will be issued by the Board in a deliberative and efficient manner that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. This may include, but is not limited to, issuance of such contracts through a Request for Proposals (RFP) based on cost and other specified factors or other comparable processes. Contracts for legal services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct.

Contracts with Independent Consultants

0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

Wherever possible, the Board will seek proposals from at least three sources before a contract with an independent consultant is entered. The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

The Board will engage the services of an independent consultant only by written contract, which must specify the work to be accomplished by the consultant, the time within which the work is to be completed, and the fee that will be paid the consultant. An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

An independent consultant may have access to such school facilities and school district employees as may be reasonably required in the performance of the consultant's contract with the Board. Except as expressly permitted by the contract, any communication between the consultant and a district employee or community member regarding the work of the contract must be conducted through the Board or a designated school official.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.

0176 COLLECTIVE BARGAINING AND CONTRACT APPROVAL/RATIFICATION

The Board recognizes a Board member and/or a member of his/her immediate family may be a member of, or salary is determined by, a labor bargaining unit, professional association and/or union that has an affiliation with a bargaining unit, professional organization and/or union within the school district. The Board member does not automatically violate N.J.S.A. 18A:24 by voting to approve and/or ratify this contract solely on the basis of his/her status or that of an immediate family member with respect to membership or representation by a different local affiliate of the same statewide association with whom the agreement is made provided the Board member's involvement with such local affiliate has not or appears to have not compromised the member's objectivity or independence of judgment.

In accordance with N.J.S.A. 18A:12-24, the Board member shall not participate in the collective bargaining process and/or serve on the negotiations committee representing the Board with this unit, association, and/or union. The Board member may be apprised of the terms of a tentative memorandum of agreement with this unit, association, and/or union in closed and/or open session only after a tentative memorandum of agreement has been reached. The Board member may vote during the public meeting to approve and/or ratify a contract with this bargaining unit, professional association and/or union.

The Board member shall not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has an immediate family who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.

In addition, the School Ethics Commission Decision A16-00 states a Board member may not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has a "relative" who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board Attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.
