3125 EMPLOYMENT OF TEACHING STAFF MEMBERS (M)

The Superintendent shall recruit, screen, and recommend to the Board suitable candidates for district employment. The Board shall approve the employment, fix the compensation, and establish the term of employment for every teaching staff member employed by this district. Approval shall be given only to those candidates for employment recommended by the Superintendent.

The Superintendent may appoint a person to fill a sudden vacancy, subject to ratification of that action by the Board at the next Board meeting, and may appoint substitute teachers in accordance with this policy.

No teaching staff member shall be employed unless he/she is a holder of a valid certificate in accordance with the New Jersey Department of Education and applicable statutes and administrative codes.

The Superintendent shall require proof of any candidate's certification or pending application for certification.

No person shall be employed in a position which involves regular contact with students until the Board has notice that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed.

Criminal history record checks will be required pursuant to New Jersey Department of Education regulations and procedures. Any person to be employed by the district, other than a school bus driver, must undergo a criminal history background check. School bus drivers are subject to criminal history record checks in accordance with New Jersey and Federal licensing requirements. All contracted employees having regular student contact must undergo a criminal record history check. Approval letters will be valid only for the district or contract service provider through which the person to be employed made application for employment.

POLICY

A permanent employee hired prior to October 8, 1986, who applies for and is selected for a different position in the district is "grandfathered" and not required to undergo a criminal history background check. An employee hired after October 8, 1986 for a position without regular student contact and later receives a position with student contact, must undergo a criminal history background check at the time of transfer to the new position.

Substitute employees, who are rehired annually by the Board, are required to undergo a criminal history record check upon initial employment, provided the substitute continues in the employ of at least one of the districts at which the substitute was employed within one year of the approval of the criminal history record check. A substitute employee later selected for a permanent position within the district does not need to undergo a new criminal history background check provided there is no break in service in the substitute employment. A break in service is when the employee is no longer approved by the employing Board of Education. An employee who has been laid off (dismissed because of employee reduction) and is asked to be re-employed by the district and/or contractor must submit to a new criminal history background check.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history records check if the Board or contractor demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:67.1c. In the event the criminal background check is not completed for an emergent hired employee within three months, the Board or contractor may petition the Commissioner for an extension of time, not to exceed two (2) months, in order to retain the employee.

No criminal history record check shall be furnished unless the applicant provided written consent to the check. The applicant shall bear the cost for the check, including all costs for administering and processing the check. The district will deny

employment to an applicant if the applicant is required and refuses to submit to a criminal history background check.

A teaching staff member's misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

All new employees will be required, within three (3) days of the first day of hire, to complete the federal Form I-9 and supply the documentation necessary to demonstrate the employee's identity and employment eligibility under the Immigration Reform and Control Act of 1986.

Part-time Teaching Staff Members

A "part-time teaching staff member" is a member employed less than full-time. "Full-time" is employment for a full school day and a full school week; a full school day is defined by the worksite, and a full school week is five (5) days, Monday through Friday.

Part-time teaching staff members will be compensated on the salary schedule negotiated for full-time teaching staff members, prorated to their part-time service.

Part-time teaching staff members who are .5 or more will receive benefits.

The Board recognizes that part-time teaching staff members will earn the protections of tenure and seniority.

Substitute Teachers

The Board will employ substitutes for absent teachers in order to ensure continuity in the instructional program and will annually approve a list of substitutes and the rate of pay.

The Superintendent may select substitutes from the list approved by the Board to serve in the place of an absent teacher who retains an entitlement to a regular position.

Preference will be given to substitutes who are fully certified in the area for which they are engaged. A substitute who holds a county substitute certificate shall serve no more than twenty consecutive days in the same position.

A substitute teacher who has been employed in the same position for twenty one (21) school days will be compensated on the salary guide commencing with the first day of service in that position.

A long-term substitute teacher (a substitute who has been employed to replace a teaching staff member who will be absent) will be employed under contract in order to ensure continuity of instructional services and will be compensated on the salary guide from the first day of service in that position. The long-term substitute teacher will receive a letter which will clearly state that employment is as a substitute for a regular teaching staff member and will be for a fixed period of time.

Summer School Teachers

The Board shall approve the employment, fix the compensation, and set the term of employment for each person employed in the summer school program established for this district. The Board will employ only those candidates recommended by the Superintendent.

Athletic Coaches

The Board authorizes the Superintendent to recommend the employment of qualified coaches for the district interscholastic and wellness initiative athletic programs. The Board will employ as athletic coaches only those persons who have experience in and knowledge of the specific sport, are properly certified, and possess the personal characteristics that qualify them to serve as role models to the students they coach.

The Superintendent shall advertise a vacancy in a coaching position by posting notice of the vacancy in this school

district and by simultaneously advertising the vacancy by appropriate means. The Superintendent may thereafter recommend to the Board the employment of any qualified candidate for the coaching position who possesses an instructional certificate issued by the New Jersey State Board of Examiners. **All athletic coaches are employed only for the specific season for which they are approved and do not have any entitlement to a particular coaching position for a future year. All coaching positions will be posted on an annual basis and the Superintendent will make recommendations to the Board based upon the applicants' qualifications.**

An athletic coach employed under a county substitute's certificate shall be employed for a single designated sports season and the 20-day limitation provided in N.J.A.C. 6:11-4.5(c) shall not apply to such coaching situations.

An athletic coach employed by this district who is not a regular employee of this district shall be employed only for the duration of the specific sport season. He/She shall be paid the stipend that would be paid to a district employee in the same position and shall be supervised by the Athletic Director. No out-of-district athletic coach shall be eligible for tenure or for employment benefits.

An athletic trainer shall possess an educational services certificate issued by the State Board of Examiners pursuant to N.J.S.A. 18A:26-4 and 18A:26-5.
