

3218 SUBSTANCE ABUSE (M)

The district recognizes that chemical dependency is an illness which is preceded by the misuse and/or abuse of alcohol, anabolic steroids, and other drugs.

For purposes of this policy, "substance" shall mean:

1. All controlled dangerous substances as defined and prohibited in New Jersey Statutes and Codes;
2. All chemicals which release toxic vapors as defined and prohibited in New Jersey Statutes and Codes;
3. All alcoholic beverages; and
4. Anabolic steroids.

Standard of Conduct

The district clearly prohibits the unlawful possession, use, or distribution of illicit substances, drugs, alcohol, and/or anabolic steroids on school premises or as part of any of its activities by any employee of the district as well as reporting to the workplace under the influence of any illicit substances, drugs, alcohol, and/or anabolic steroids. Compliance with this standard of behavior is mandatory.

The Board of Education will make every effort to educate its employees regarding the misuse of illegal substances, alcohol, drugs, and anabolic steroids. Further, the Board will assist and provide guidance to an employee who is having a problem concerning the abuse of these substances on how to receive additional help and counseling.

Program Review

The Board of Education shall review its substance abuse program on a biennial basis to determine its effectiveness and implement changes as required and to ensure that disciplinary sanctions are consistently enforced.

Any information gathered through a school investigation, counseling session, request by an employee for help, etc., shall comply with the confidentiality requirements established in Federal regulations found in 42 CFR Part II. Employees shall be subject to procedures and sanctions defined in Regulation No. 3218. All employees shall be provided with a copy of this policy and the accompanying regulations.
