

8330 PUPIL RECORDS

The Board of Education believes that information about individual pupils must be compiled and maintained in the interest of the pupil's educational welfare and advancement. The Board will strive to balance the pupil's right to privacy against the district's need to collect, retain, and use information about individual pupils and groups of pupils. The Board authorizes the establishment and maintenance of pupil files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and Federal law and rules of the State Board of Education.

For purposes of this Policy:

1. "Adult pupil" means a pupil who is at least eighteen years of age, or is attending an institution of postsecondary education, or is an emancipated minor.
2. "Parent" means the natural or adoptive parent, the legal guardian, surrogate parent, or a person acting in place of a parent in accordance with N.J.A.C. 6A:32-2.1. Unless parental rights have been terminated by a court of appropriate jurisdiction, the parent retains all rights under N.J.A.C. 6A:32. "Parent" shall also include, for the purposes of N.J.A.C. 6A:32, the adult pupil. A foster parent may act as a parent under the provisions of N.J.A.C. 6A:32 if the parent's authority to make educational decisions on the pupil's behalf has been terminated by a court of appropriate jurisdiction.

General Considerations

Pupil records shall contain only such information as is relevant to the education of the pupil and is objectively based on the personal observations or knowledge of certified school personnel who originate the record. The district shall notify parents and adult pupils annually in writing of their rights in regard to pupil records and pupil participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and local policies shall be made available upon request. The district shall make every effort to notify parents and adult pupils in their dominant language.

~~Nothing in this Policy shall be construed to prohibit certified school personnel, at their discretion, from disclosing pupil records to non adult pupils or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the pupil or other persons.~~

~~No liability shall be attached to any member, officer, or employee of the Board of Education permitting access or furnishing pupil records in accordance with Department of Education rules.~~

~~Pupil Information Directory~~

~~A pupil information directory is a publication of a school district that includes pupil information as defined in N.J.A.C. 6A:32-2.1. In the event the district publishes information included in the pupil information directory, the Superintendent or designee will inform parents or adult pupils of such publication, and parents or adult pupils will be afforded a ten-day period to submit a written statement to the Superintendent prohibiting the school district from including any and all types of information about the pupil in any pupil information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and P.L. 107-110 sec. 9528, Armed Forces Recruiter Access to Students and Student Recruiting Information of the No Child Left Behind Act of 2001.~~

~~School Contact Directory~~

~~The district shall compile and maintain, but need not publish, a school contact directory for official use, which is separate and distinct from the pupil information directory. School personnel shall provide information from the school contact directory for official use only to judicial, law enforcement, and medical personnel who are currently providing services to the pupil in question. In order for a parent or adult pupil to exclude any information from the school contact directory for official use, the parent or adult pupil shall notify the Superintendent or designee in writing on a form prescribed by the Commissioner of Education.~~

~~Mandated and Permitted Pupil Records~~

~~Mandated pupil records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.~~

~~Permitted pupil records are records authorized by the Board to be collected in order to promote the educational welfare of the pupil. The Board shall authorize the permitted records to be collected by adopting at a regular public Board meeting a resolution listing such permitted records or Regulation 8330, which will list such permitted records.~~

~~Maintenance and Security of Pupil Records~~

~~The Superintendent or designee shall be responsible for the security of pupil records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.~~

~~Records for each individual pupil shall be maintained in a central file at the school attended by the pupil. When records are maintained in different locations, a notation in the central file as to where such other records may be found is required.~~

~~Pupil health records shall be maintained and located in a locked cabinet or room in the school building or complex where the pupil is assigned. Records kept in electronic form shall be both accessible and secure. Pupil health records shall be maintained separately from other pupil records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the pupil's health record and placed in the pupil's mandated record. Records shall be accessible during the hours in which the school program is in operation.~~

~~Security blocks will be installed for records stored in any computer system to protect against any security violations of the records stored therein. To guard against the loss of pupil records, the district shall maintain an updated hard copy and backup versions of pupil records.~~

~~Any district internet website shall not disclose any personally identifiable information about a pupil, in accordance with N.J.S.A. 18A:36-35.~~

~~Access to Pupil Records~~

~~The district shall control access to, disclosure of, and communication regarding information contained in pupil health records to assure access only to those authorized organizations, agencies, and persons under the conditions permitted by Federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.~~

~~The district will charge a reasonable fee for reproduction, not to exceed the schedule of costs set forth in N.J.S.A. 47:1A-2, provided that the cost does not effectively prevent the parents or adult pupils from exercising their rights under N.J.A.C. 6A:32-7 or under rules and regulations regarding pupils with disabilities.~~

~~Access to and disclosure of a pupil's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).~~

The following authorized organizations, agencies, and persons shall have access to pupil records:

The parent of the financially dependent adult pupil may not disclose information contained in the adult pupil's record to a second or third party without the consent of the adult pupil.~~

Such assurance shall be received in writing by the Superintendent prior to the release of information to the researcher.~~

~~Nothing shall be construed to prohibit school personnel from disclosing information contained in the pupil health record to pupils or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the pupil or other persons.~~

~~In providing access to pupil records in accordance with N.J.A.C. 6A:32-7.5, individuals shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and 34 CFR Part 99, the Family Educational Rights and Privacy Act (FERPA).~~
