8550 UNPAID MEAL CHARGES/OUTSTANDING FOOD SERVICE
CHARGES

The Board of Education understands a student may forget to bring breakfast or lunch, as applicable, or money to purchase breakfast or lunch to school on a school day. When this happens, the food service program shall follow school district established procedures in Elementary, Middle and High School:

Elementary School:

Provide a student a breakfast or lunch with an expectation payment will be made the next school day or shortly thereafter. However, there may be circumstances when payment is not made and a student's school breakfast/lunch bill is in arrears. The school district will manage a student's breakfast or lunch bill that is in arrears in accordance with the provisions of N.J.S.A. 18A:33-21 and this Policy.

In the event a student's school breakfast or lunch bill is in arrears in excess of \$12.00, the student will continue to receive lunch or breakfast and their account will be charged accordingly. The Principal or designee shall contact the student's parent to provide notice of the amount in arrears and shall provide the parent a period of ten school days to pay the full amount due. If the student's parent does not make full payment to the Principal or designee by the end of the ten school days, the Principal or designee shall again contact the student's parent to provide a second notice that their child's breakfast or lunch bill is in arrears.

A parent who has received a second notice their child's lunch or breakfast bill is in arrears and who has not made payment in full within one week from the date of the second notice will be requested to meet with the Principal or designee to discuss and resolve the matter.

A parent's refusal to meet or take other steps to resolve the matter may be indicative of more serious issues in the family or household. In these situations, the Principal or designee shall consult with and seek necessary services from both the County Board of Social Services and the Department of Children and Families, Division of Child Protection and Permanency, as appropriate.

When a parent's routine failure to provide breakfast or lunch is reasonably suspected to be indicative of child abuse or neglect, the Principal or designee shall immediately

report such suspicion to the Department of Children and Families, Division of Child Protection and Permanency as required in N.J.S.A. 9:6-8.10. Such reporting shall not be delayed to accommodate a parent's meeting with the Principal or designee.

In accordance with the provisions of the United States Department of Agriculture, this Policy shall be provided in writing to all households at the start of each school year and to households transferring to the school or school district during the school year. The school district may post this Policy on the school or school district's website provided there is a method in place to ensure this Policy reaches all households, particularly those households without access to a computer or the Internet.

This Policy shall also be provided to all school and food service staff responsible for the enforcement of this Policy, including school administrators to ensure this Policy is supported.

The food service program will comply with all meal charge policy requirements of the United States and New Jersey Department of Agriculture and N.J.S.A. 18A:33-21.
